

## **6 Workshops to become a Spirit World and Physical World Blessed Couple**

True Parents said that the grace and value of the Spirit World and Physical World Blessing is “opening the path for the spouse of the earthly world and the spouse who went to the spirit world to become an eternal blessed family through the blessing and live as a couple.”

### **This is a special grace from True Parents for:**

1. Members who joined the church after their spouse passed away and could not receive the blessing together on earth
2. Members who are presently not married and will not (cannot) get married while on earth
3. Members who received the blessing together with their spouse but could not conduct the 3-day ceremony before their spouse passed away

### **To qualify for the Spirit World and Physical World Blessing:**

1. Members must be over 60 years of age (If a member under 60 years old wishes to receive the Spirit World and Physical World Blessing, it should be conducted after proper standards are set by the region and nation) **AND**
2. Members must have received the Single Blessing (attended the Blessing Ceremony officiated by True Parents or a Tribal Messiahship Blessing, etc. with the picture of their spouse or alone)

### **There are 3 necessary steps to become a spirit world and physical world blessed couple:**

1. Spirit World and Physical World Matching Workshop
2. Spirit World and Physical World Blessing (This step is omitted for members who received the blessing on earth as a couple but could not conduct the 3-day ceremony)
3. Workshop for Starting Family Life as a Spirit World and Physical World Blessed Family

\* If the person receiving Spirit World and Physical World Blessing cannot participate in the workshops due to old age or health problems, a representative can participate on their behalf. The representative should be a family member or a church leader, etc., and he/she must be responsible for all the procedures of this ceremony until the end and also educate the person receiving the Spirit World and Physical World Blessing about the meaning and value of the blessing and pass on what they learned and experienced in the workshops they participated on their behalf.
