*The Unification Church Holy Grounds are spiritually significant locations around the world chosen and blessed by Reverend Sun Myung Moon. The following list of Holy Grounds in America is from the May 19, 1965 New Age Frontiers, an early Unification Church newsletter. Most, but not all, Holy Grounds are marked by a tree as its central location. Reverend Moon blessed these locations with the intention that every state have a Holy Ground at which people could gather to pray for the fulfillment of God's Will for America. Mother Moon has recently toured the nation, visiting many of these Holy Grounds as a way to reconnect to the roots of the Unification movement in America. This journey reflects the importance of rekindling the energy of the early days. Visiting your local Holy Ground to pray would be a solid step towards the spiritual revival of America.*

**1. SAN FRANCISCO, CALIFORNIA (2/15/65)** Northernmost peak of Twin Peaks (renamed Parents Peaks). The central spot is the rock on top. The southern peak (Mother Peak) is also regarded as Holy Ground, although only Father Peak received the blessing ceremony.

**2. LOS ANGELES, CALIFORNIA (2/21/65)** Griffith Park. Enter from Fern Dell Drive, pass the vertical parking area on right and picnic ground #7 to parking area on right. Walk past men's rest room #4 and picnic area. Go up dirt pathway to left of picnic area to where large dirt road turns left and steeper trail goes up to right of picnic area. Take steeper path. Climb past small water faucet with spigot about 72 paces. The Holy Ground is on a plateau six paces from the middle of the trail.

**3. MT. WHITNEY, CALIFORNIA (2/25/65)** The Holy ground is at the entrance to the peak, approx. 9,000 feet, in a grove of pine trees. The central spot is between three pines, one is a straight tree at its approach to maturity.
