Attached is a free MS Word bookmark template. I put our photo and contact info in it and we printed up some for distributing True Mother's book *Mother of Peace: A Memoir by Hak Ja Han Moon* to our tribe members.

It's a template, so you can replace our photo and contact info with your own.

We printed ours on white thin card stock, hole punched them, and put in a small yarn knot at the top. Looks very nice! Our contacts really like it. Plus, they can contact us with their feedback.

Use a hole puncher to punch a hole and tie a ribbon through it.
