Dear Tribal Messiahs,

We were recently informed about the upcoming Heavenly Tribal Messiah workshop in Korea this February. We have some details we would like to share with you now and we will continue to share as we learn more.

Dates of the workshop:

Feb 18-20, 2018.

Location of the workshop:

Chinhwagwan B, HyoJeong
Chung Pyung Training Center
Chung Pyung, Korea

How are accommodations handled:

International HQ will cover the cost of your accommodations for the workshop from Feb. 17th to 22nd only. If you plan to stay past the 22nd, you will need to cover your own accommodation expenses. There are events leading up to Foundation Day on the 28th that you will be allowed to attend (details are to be determined), but you will need to cover the costs of your accommodations.

If you have already Blessed 430 and expect to receive the award as an accomplished Heavenly Tribal Messiah, you may be wondering when the award ceremony will take place. Korea says this is still being determined, however, the current plan is to hold the award ceremony during True Parents' Birthday Celebration on Feb. 21. However, please note that this date could change.

Travel Suggestion:

From what we know now, you should plan to arrive on the 17th of February. Your departure is up to you, but it would be advisable to stay until the 22nd. Just a reminder - you will have to cover the cost of your flight.

Who is invited to participate:

Those Tribal Messiahs who have already Blessed 430 or are close to it

The families of those Tribal Messiahs

The families that helped the Tribal Messiahs achieve 430. For example, if the 430 Tribal Messiah worked in a trinity, the other families in that trinity are invited

Coordinators of Tribal Messiahship activities on a District or National Level

How many people are expected to attend:

300-400 people from around the world who are actively pursuing Tribal Messiahship

Content/ Focus of the workshop:

Testimony of those who have accomplished 430

Study of the new Heavenly Tribal Messiah textbooks developed by the Heavenly Tribal Messiah Academy of International HQ.

A focused study of follow-up strategies based on testimony of accomplished Tribal Messiahs from around the world

Networking between national and international Tribal Messiahs

Thank you so much for your hard work, we will continue to update you about this workshop as we learn more.

God Bless,

Karlsun Allen
