*the May edition of HerTribe Thrive!*

As flowers bloom and the days grow longer, we're tending our outer and inner landscapes. Whether you're prioritizing or nurturing personal growth, May is a powerful

We're exploring the theme of spiritual and emotional growth. Tending the Sacred Garden: 3 Books to Nurture Your Spirit, and learning how to Listen to Your Heart With Intuition. You'll also find a special feature on our meaningful Father's Day gift idea for the dads in your life—and a new HerTribe Podcast you won't want to miss.

May is a time to grow through this season with intention, reflection, and action.
