February 18, 2026

Our dear sister, Hildegard Bain, Blessed with her husband Tony, in the 1992, 30,000 Blessing, ascended on Wednesday morning the 18th of February, on the 42nd "Day of Victory of Love."

Her daughter Holly and Tony were by her side as she was peacefully received into her eternal home, with our Heavenly Parent.

We keep her, and her family in our prayers as she makes a smooth transition, having expanded her heart of love during her sojourn here on Earth, and made ready for an eternal life in love.

For many years Hildegard was a mainstay of the Children's Sunday school in South London, until all the children grew up.

Hildegard was a beloved member of the River South community and will be dearly missed.

A eulogy and Seong Hwa information may be shared in time...
