7. a TESTIMONIES

Mr. Gyorgy Kozma, Male, Hungary, Budapest Event 2021. 09. 26.

”During the Ancestors liberation ceremony, I had a thought, that I have to do the liberation not only for my tribe, but in order that my nation can have more absolute good spirits, to strengthen that foundation. So I felt sorry, that did not think such way before. The other personal experience was, that I had a kind of picture or vision in my mind, that **my ancestors line up in chain and the person in the front is grabbing my hand and I help them to come out from some kind of mud. Let them use my hand as a kind of stick. Something like when we pull out a robe from a mud... I was telling them that from now on you don't need to suffer anymore, you can resolve all the resentments and live happily. I wished to liberate all of them up to 430, I wished I could do that all at once quickly...**”

Thank you for the chance to attend. 감사합니다. Gyorgy Kozma 올림.

7. b TESTIMONIES

Anonymus, 19, Female, Hungary, Budapest, 2021.09.26.

”For today’s CheonBo event I prayed very hard throughout the week and I wanted to really understand the importance of the CheonBo providence. It was very hard for me to focus during the chanyang yeoksa but suddenly I felt a great power in my hands to clap more and do the chanyang more. I felt that I need to work harder in order to get rid of the evil spirits in my body. During the Mission song (after Chanyang Yeoksa session) I felt enormous gratefulness toward the True Parents and I felt very happy that my parents have met them and the Divine Principle. Listening to the lyrics of the song, I felt so much like listening to True Parents’ heart, how they feel about God, what kind of attitude do they have toward our Heavenly Parent. I’m praying that I can remember of this deep experience in the future. Thank you very much, True Parents!”

7. c TESTIMONIES

Anonymus, Male, 51, Latvia, Riga event, 2021.09.26.

”I felt great gratitude to True Parents who offered everything in their life and sacrificed their family for the sake of people so that we can be liberated from suffering and live close to God. And they even take care of those that already passed to spirit world. I could pray with tears of gratitude and make a determination to be more filial to True Parents.”

7. c TESTIMONIES

Anonymus, Female, 41, Latvia, Riga event, 2021.09.26.

”I am grateful to all who organise such seminars which give hope. What I realized is that good spirits cannot help until we ask them! **My older brother disappeared in 1999 when I joined the Movement.** In 22 years he appeared in dreams only to his friends, not even relatives. He conveyed that he is cold and uncomfortable. **Once I liberated him at a seminar in Moscow, then he appeared to me in a dream this year May.** First I didn't recognize him because I treated different persons like they were my elder brother. Finally, I recognized him, cried out his name and embraced him. I was crying still when I woke up and was embracing him. He was very happy, smiling, and said that he would help me. I told my husband who woke up because of my crying that I just met my brother who disappeared long time ago. **My brother then left very peacefully and happy. It was very important to me. I realized that spirit world exists and is even more true than our physical reality.”**

7. d TESTIMONIES

Mr. Binod Paudel, Istanbul, Turkey, 26th September 2021

"Thank you True Mother for allowing us to host CheonBo Workshop in our city. It is so amazing experience to receive grace and offer devotion from CheonShim Won Prayer hall in our own place. It is amazing, during the Workshop my conscience told me: *'You see True Mother told few years ago, miracle will take place and everything goes well'*, indeed I feel it is realised. As a small community we are united and humble to offer this offering. This time we have two couples who fulfilled their vertical blessing of 430 and they are qualified for CheonBo Won award. This is a miracle and special grace from True Parents to Turkey."

Thank you True Parents!
