

FFWPU UK: Opportunity For Your Child To Perform For True Mother in Munich

Michael Balcomb
May 8, 2024

There are limited spaces available for children and some parents for the chance to sit closer to True Mother as well as perform at Bloom! in Munich...

Dear Blessed Families,

We are preparing for the Pentecost Sunday service on May 19th in Munich. We would like to implement a family aspect into the event. For this reason, we created a specially designated, carpeted seating area and a lovely song for the children to perform. It is an opportunity for the children to experience True Mother close up and share their joy through the song.

The designated seating area is adjacent to the stage, so the children can be close to True Mother and have a great experience. Because of fire regulation we are only allowed to have 90 children and 20 (supporting) parents in the designated seating area (no chairs). On the diagram it's the green area.

A few parents (20) can sit with the children on the floor and support the children throughout the event. For all other parents/families there will be reserved seats available close by. Please note that some seats are farther from the children's area. If a child, contrary to expectation, cannot manage by himself/herself, the parent is responsible for calming them down or taking them outside.

We prepared a lovely song for the children aged 4-14 and a matching video featuring dance moves. We kindly request your assistance practicing it with your children at home before the event. Additionally, on Saturday, May 18th, we'll gather to rehearse the song and dance routine together. Of the 90 children, a small group of 30 will perform on stage, while the larger group will perform on the floor next to the stage.

If your child does not want to be in the front, we still encourage them to learn the song and dance, as there will be a live camera to film them in the audience, and the footage will be shown on the screen for True Mother to see!

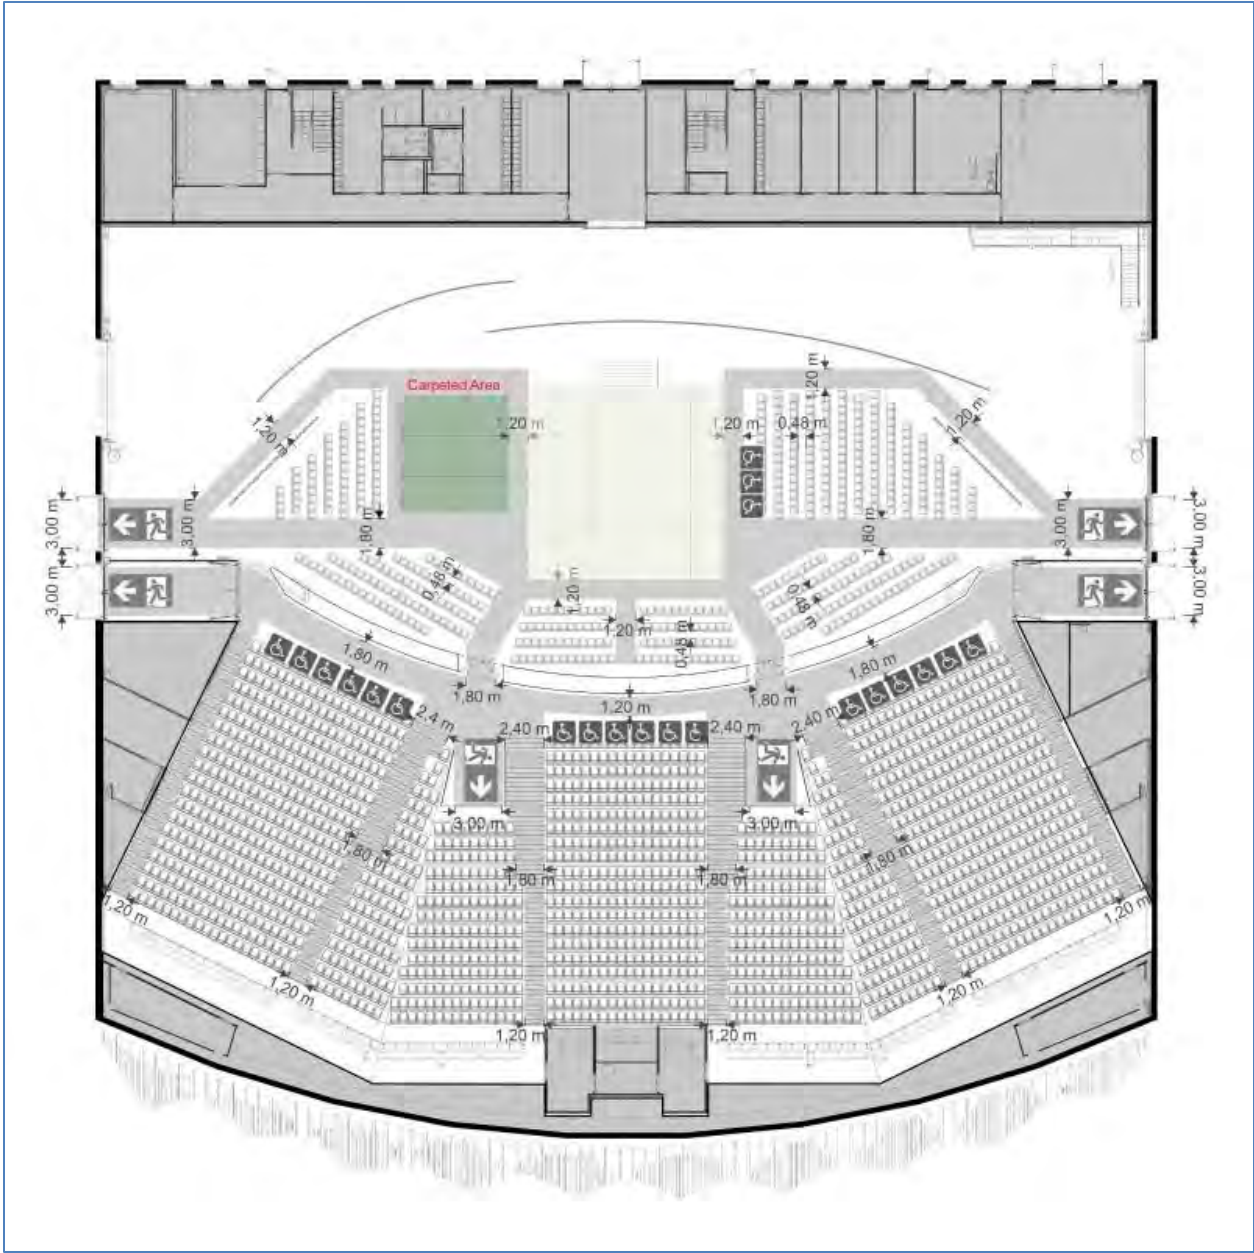

Requirements for children to participate at the front in the designated seating area:

- be willing and happy to perform
- practice the song and dance routine at home before the event
- be between the ages of 4-14
- be able to sit attentively during the 2-hour service (with support of 20 parents)

Sign up your child/children. Fill out one form for each child. We will assign the 90 spaces on a first-come, first-served basis through this application form. Therefore, please await an email confirming your child's space. Confirmed children will get a special bracelet at the information stand at the event.

Family Fair & Kids Program

Hello Parents,

Please find the schedule for the Young Families on Saturday and Sunday. This is for your information to help you plan. If we have changes they will be communicated in the Bloom! Young Families Support WhatsApp group.

Things good to bring: Sun protection, Sand toys (there are sand pits there), snacks, and change of clothes for kids (in case they got wet)

Good to know: In front of the main hall is a shallow body of water which is not meant for walking in (sorry) as this may cause damage to the lining underneath the rocks.

There will be coffee, soft drinks, apples and bananas for purchase and nappy changing area in the Foyer of the Main Hall.

On Sunday during Sunday Service, we will have live-feed of the event in a small side building which can hold up to 150 people. This is meant for parents of kids who cannot follow the 2 hour long Sunday Service in the Main Hall and need to their energy out outdoors.

We are looking forward to seeing you there!

Children's song during the Pentecost Service

On Sunday, during Sunday Service, we would like to have the children sing a song. The song "You are my Sunshine" was chosen and amended lyrics and a video with movements created.

We would like you to practice the song and movements with your children, age 4-14 years.

On Saturday, May 18th, we will have a final practice with all the children on site.

All children are invited to practice and perform the song.

Parents of children who are happy to sing/perform in front of others and have experience we invite you to join a subgroup for further communication.

Thank you! 😊
