

## FFWPU Europe and the Middle East: Pentecost with True Mother Donations

Michael Balcomb  
May 11, 2024

Dear brothers and sisters,

Our True Mother will arrive in Munich in just over a week for our special Pentecost festival! More than 2000 of us are making final plans to come to Munich and welcome True Mother in person.

Yet many others cannot come for various reasons, including visa restrictions, mobility issues, and work and other commitments that can't be broken.

I want to assure you that the main program with True Mother will be available online, and I encourage everyone who can't make it to Munich to join virtually! We also plan to broadcast the worship and vigil prayer on Saturday evening, and this will be a great way for all of us to offer our final Cheon Seong in preparation.

On the practical side, we are trying to maintain a good balance between keeping costs as low as we can and, simultaneously, making this a truly memorable weekend for True Mother and all our families and children of all ages. To help do this, we are inviting all of the missionaries in Europe to come to Munich and volunteer for the program, and we are covering the cost of travel and accommodation. True Mother is particularly interested in meeting the young missionaries, especially the heavenly Top Gun teams.

Fumiko and I would like to make a special request and appeal for urgently needed additional financial support. Your donation would be welcome, particularly if you cannot come in person.

To sum up, we really need to raise about €100,000 in the coming week. We would, therefore, like to invite and encourage all families to give the best donation they can. I suggest up to €300 - €500, if possible, but all donations are welcome.

Let's make this the most unforgettable Pentecost!

Michael and Fumiko Balcomb

Regional President, FFWPU Heavenly Europe and the Middle East

### Donations can be made to:

Account Holder: FFWPU-Europe  
Bank: Frankfurter Sparkasse
