The CheonBo EUME branch and the Hyojeong Youth Academy look forward to you joining us in South Korea! In this workshop, you will have the opportunity to dive into the spirituality of the Training Centre, a place prepared by True Parents to find our true selves. Here, we can connect deeply to the Heavenly Parent's Heart through Cheonshim Won Vigil Prayer, Chanyang Yeoksa and talks on topics covering the mission of the Only Begotten Daughter, our True Mother, the Stature and Value of True Parents from the Viewpoint of Heaven's Providence, True Parents' Life Course, the Divine Principle and Internal Guidance. You will visit holy grounds and other special sights across South Korea where True Parents felt deeply Heavenly Parent's Heart. You will experience the Summer Great Works, commemorating the 12th Anniversary of the Holy Ascension of True Father. And finally, we will prepare to meet True Mother, who looks forward to welcoming us to South Korea.
