

# FFWPU UK: Introducing The Mission Support Website

Michael Balcomb  
July 10, 2024

We are excited to introduce you to [familyfediHQ.org](https://familyfediHQ.org/), a website designed to offer a wealth of educational and inspirational resources for our members and leaders.

<https://familyfediHQ.org/>

**Purpose:** To provide educational and inspiration resources to leaders and members

The site is mainly in English with the exception of the educational resource section.

## Main Features

### 1. True Parents' Speeches – English

True Mother's recent speeches

True Father's from the collection of translations done over 35 years for *Today's World* magazine

### 2. Father's Life in His Own Words

Drawn from Father's speeches and arranged as an autobiographical account. (Perhaps of interest

to newer members who did not have the chance to see Father in person.)

### **3. Early Days Stories**

Serialised testimonies of early missionaries and members working all over the world

### **4. Educational Resources**

An expanding collection of Divine Principle lectures and other educational resources in a variety of languages - including some classical internal guidance by well-known leaders.

We invite you to contact us so that we can add your video presentations that you are willing to share.

### **5. Sermons at Cheon Won Church – English translations**

If you are a pastor looking for an idea for a sermon, this small but growing collection might be helpful!

Including recent sermons dealing with the reunification of Korea.

### **6. Global activities, best practices, news from around the world**

Please feel free to send in your most exciting news - a few paragraphs and a couple of photos

Send to [ffwpuicomm@gmail.com](mailto:ffwpuicomm@gmail.com)

### **7. Inquiries, comments**

You can write in freely with a question, a request for information, or a comment

We will try to answer you or put you in touch with someone who can.

There are also some short videos in the Media section describing the HJ Cheonwon Complex, including the later stages of the construction of Cheon Won Gung. We hope to soon add to that a series of brief presentations on the core teachings of the Family Federation for the benefit of those making their first inquiries.

Each week on Tuesday we send an email out to our subscribers with the latest additions to the website (including Mother's messages). New subscribers are welcome: please contact the webmaster Mr. Myungho Moon on [ffwpuicomm@gmail.com](mailto:ffwpuicomm@gmail.com).
