## **Devotion for True Father's Seonghwa Anniversary on August 20**

Dear family,

As I mentioned during the weekly prayer this evening, I am deeply concerned that our EUME region is slipping a bit in offering devotion for True Father's Seonghwa Anniversary on August 20.

I know that it's been 12 long years since Father ascended, but let's remember him as if it were yesterday. During the last 40 days, I have felt closer to him than ever, especially by reading the memoir "As a Peace-loving Global Citizen." Fumiko and I have also been thinking back to when we sat at True Father's feet at Belvedere and East Garden and listened to him speak to us - sometimes scolding, sometimes encouraging, sometimes serious, and sometimes joking, but always loving.

So let me ask you all again: let's complete our 40 days of devotion as our True Mother has requested. In addition to the prayers and study we've offered, please **DO NOT FORGET** to offer our official donation for the Seonghwa Anniversary. The guidelines are €120 for individuals and €210 for families, but you can give less or more as you can.

If you've given already, thank you. If you haven't, please do it today!

Thank you so much.

Sincerely,

Michael and Fumiko Balcomb
