ESGD 2025 Summer Workshops Announced

Three ESGD workshops are planned for summer 2025, offering spiritual growth, team challenges, and community connection for various age groups. Save the dates!

We are happy to announce three European workshops taking place in the summer 2025 (see details below). We want to share the dates so that those who need to plan in advance can add them to their calendars.

Experience at the European summer workshops 2024 was deep and encouraging. Our daily task is to keep commitment to living and walking The Way. If we love God, we will defend what is good and we wrestle with and resist evil. Each of us needs to walk The Way, but let's remember you are not alone.

Summer 2025 dates:

ODP+ workshop: 20th - 30th July 2025

Senior+ workshop: 16th - 24th August 2025

ROOTS 22+ workshop: 27th - 31th August 2025

The ODP+ workshop is scheduled to take place 20th - 30th July 2025 in Seminarhaus Neumuehle, Bad Camberg, Germany. Age group: 18 and older.

The ODP+ (Original Divine Personality+) workshop is a precious opportunity to go through some focused and stimulating spiritual training. Through the content, there is a chance to experience the core of True Parents' teachings, and also the core aspects of Second Gen education and care from years of experience. Indeed, the importance of connecting personally to God, True Parents, and other key relationships in our lives is a strong emphasis throughout the programme. In addition to the focused education, there will be many team challenges, sports and activities that will encourage you to bond and go deeper in creating and exploring true friendships.

The Senior+ workshop is scheduled to take place 16th - 24th August 2025 in Seminarhaus Neumuehle, Bad Camberg, Germany. Age group: 15-20 years old.

This workshop is designed for the elder HARP age-group as well as for young adults aged 18-20. As always, this is the best opportunity in the year to reconnect with friends from all over Europe, to build new friendships and to gain strength and clarity about our shared identity and path as blessed children. There will be relevant and relatable content to go deeper into what it means to live a daily life of faith, along with discussions and interactive activities. Through the mixture of challenging, reflective and team activities, we want to build an atmosphere where we create wonderful, lasting experiences that remind us of our potential and our connection as brothers and sisters.

The ROOTS 22+ workshop is scheduled to take place 27th - 31th August 2025 in Seminarhaus Neumuehle, Bad Camberg, Germany. Age group: 22 and older.

The ROOTS 22+ workshop will offer a chance for you to take time aside to invest in your spiritual journey; as individuals and as part of our community. Part of the programme will be talks and presentations to stimulate discussion and generate a focused and reflective atmosphere. Alongside this there will also be chances for connecting and enjoying sports, games and nature together, based on the interests of the group.

With the personal challenges that we are facing, as well as wider concerns regarding the future of our universe, we can find ourselves both overwhelmed and unsettled. Every now and then, we need to reconnect to our roots to regain direction and clarity, and a greater sense of hope and purpose. We hope this workshop, together with the investment of all involved, can provide an opportunity for an internal refresh and shift forwards: through Reconnecting, Open hearts and Open conversations, Truth-seeking, and Supporting each other as brothers and sisters.

Testimonials

Done 2022

"DONE was genuinely one of the best and happiest times of my life. It helped me build a strong foundation for my faith through the content and the experiences I had, which I had been uncertain about for some time. I really want to live a life with God, and I'm committed to care and live for the sake of others. The relationships I made on DONE I feel couldn't have been made anywhere else. Having that constant support and the precious bonds I made with people really inspires me to keep growing and pushing myself to be the best person I can be not just for myself but also for God and those who I really care for. Being with such caring and supportive friends helped me remove some layers I was hiding behind and see the qualities I had which I was unaware of. Being able to be truly free around others and to just be myself was a big accomplishment for me."
