

FFWPU UK: Join The Radiant Programme For Recently Blessed Couples

Michael Balcomb

October 9, 2024

High Noon is back with applications opening for their Radiant Programmes focusing on young blessed couples...

There were two major Blessings this year - one in February and one in April.

We know too well how fun (and challenging) a new marriage can be. There's a lot to figure out in the early stages of marriage.

So how can we help these couples succeed?

They need community education support and ongoing love - in order to become the radiant couples that God envisions.

"Radiant" is our program for couples that offers everything they need (and it's free).

This program is just for newly Blessed Couples (Blessed after 2020). It's for couples that want to start their intimate relationship with God at the center.

Registration just opened and will close on Oct. 20.

The format of the program is weekly group calls (husbands and wives separated in their own groups) including a trained High Noon facilitator. In addition they will receive valuable content on how to develop internal intimacy as a foundation for a Godly relationship.

Developing Internal Intimacy

This program will focus on developing internal intimacy through three objectives:

1. Understand God's original vision for the absolute sex
2. Practice open communication about God-centered sexuality.
3. Get support from brothers or sisters (separate groups) and learn together

These objectives will be achieved through discussions

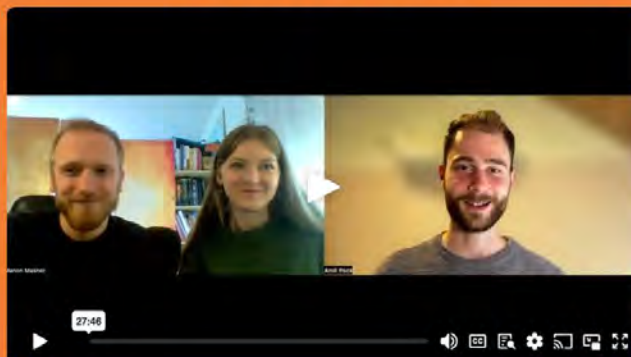

These objectives will be achieved through discussions, guidance from group leaders, and studying True Parents' words on sexuality in the Core of the Universe book.

If you want to be a Godly husband or wife in the future, this is the best opportunity around.
