Hear about the bi-annual Leader's Retreat that recently took place in Cleeve House for our EUME Region...

The European leadership team from our six subregions and from affiliates UPF, WFWP and YSP gathered last week for a prayer and fellowship retreat in Cleeve House in Wiltshire. Over three days, we discussed some of our most promising opportunities and our most intractable challenges. Every night, we came before God to pray and worship and to ask for Heaven's guidance.

It wasn't all work and no play. We took time to visit the Avebury Stone Circle a few miles away. We looked at the mighty stones placed about 4600 years ago, and wondered if the structures we are building today will be visited in the year 6624. We also made plans for a pilgrimage to Korea in April 2025 to celebrate the Entrance Ceremony of the Cheon Won Gung (Heavenly Garden Palace). Expect to hear more news from your pastors and community leaders about the ways each of us can contribute to the work of Kingdom building.
