## Aloha Friends

Aloha Friends,

Our campaign is ramping up for success at the polls in the months ahead. Primary Election Day is Saturday, August 11. Between now and then we have many activities scheduled with more still in planning.

Saturday May 26, I will interview with the Sierra Club Moku Loa Group seeking their endorsement for our bid for House District 6, and Tuesday, June 19 is the forum with the League of Women Voters at our Civic Center. The League of Women Voters will be very helpful to our campaign in helping to inform voters, distributing our platform statement, candidate profile and portrait, our campaign web address, and more.

Of course, general election day is Tuesday November 6. Mark you calendars for August 11 and November 6, and please remember to get out to the polls and vote.

To assure our success and a win on Election Day, I must ask for all of you to help. You may help talk-up our campaign, hand out flyers, place posters and signs, and importantly for those who can we must ask for your help in funding a successful campaign. You may make campaign contributions to "Friends of Mike Breslin" at P.O. Box 146, Kailua Kona, Hawai'i 96745-0146. You may also request flyers, posters and signs by writing to that address, or emailing requests to [Mike@BreslinforHawaii.com](mailto:Mike@BreslinforHawaii.com). In addition, I will post copies of flyers and poster signs on [HTTP://BRESLINFORHAWAII.COM](http://BRESLINFORHAWAII.COM) for those who would like to print duplicates for your use and distribution.

I send out my heartfelt thanks to those friends who have already generously contributed to our success, and to those who will do so in the coming days and weeks. Thank you! I intend to honor your confidence in our candidacy and your support of our campaign with my very best efforts.

Let us work together for success. With your help, I am confident that we will win the House seat, and make a positive difference for our District 6, and Hawai'i.

Much aloha,

Mike Breslin, candidate

House District 6

## Platform

We live in a beautiful place, and together we are capable to assure that Hawai'i will remain beautiful for generations to come. Let us pledge **liberty and the pursuit of happiness**, providing guarantee to a Hawai'i that thrives, and is a source of pride and satisfaction for everyone.

We do not need increasing government regulations, allowing government to meddle into the affairs of individuals. Instead, let us rescue our careworn culture of honesty and integrity. I will vigilantly represent your desire for **limited government** intrusion.

Our children's teachers work very hard everyday, upholding the cherished ideal of **individual responsibility**, and other traditional values. Appropriate conduct in human affairs is learned, not legislated!

While our schools continue, as they should, to focus on academics, with sound math and science programs, let us never forget to safeguard the traditional values that promote a gracious, healthy society.

Any truly representative government will be **fiscally accountable**, just as in any functional household, family members are accountable to their family for the ways they spend family money. We must not burden or bankrupt our future generations by careless extravagance today. As your House member, I will endorse **fiscal accountability** and a culture of true aloha, a wholesome culture advancing the health, and vitality of our families, and encouraging open constructive dialogue.

**Equality of opportunity** is an important hallmark of a strong and healthy society. With your help, I will protect equal opportunity for all citizens, in particular, equal opportunity for the sake of future generations.
