

## Claims of "The NEW Divine Principle" by Hyung Jin Moon's Sanctuary Church is a Fabricated Lie!

I checked this in the church and in our regional office for confirmation regarding the CLAIM OF SANCTUARY CHURCH that True Mother and FFPWU had changed the Divine Principle.

**One false point:** the title of their article is "New Divine Principle" but the book manual title is: True Parents life course.

(Below) Lecturer's Textbook Manual

**Second false point:** in the first statement they quoted Rev Young Hwi Kim about "we need to change the Divine Principle" then next statement is "but he didn't give the details". So it means it's not happening yet and I'm very sure it will not happen. Further, if you will read the entire content of that article, almost all their claims are ASSUMING... read it for yourself to see.

As I already told some who asked me. "We don't have such book here" now as I confirmed it the more I can say that it's an **Absolute Lie!**

**Third false point:** as you can see the book cover is written in Korean how come the inside diagram is written in Japanese? And this lecturer manual is not existing here.

As a lecturer here in Korea and has been updated always with all lecturing materials from International Leadership Conference twice a year and has been communicating always with our regional church for Korean materials, I really doubt this claim from the very beginning I saw this.

It's really a strange thing for me because I NEVER SAW OR HEARD OR BEING INSTRUCTED TO USE SUCH DISTORTED DIAGRAM.

**Fourth false point:** I showed this diagram to MY PASTOR and his first reaction was... WHAT IS THIS? I showed it to all our Japanese members in the church and everybody was shocked why it was distorted like that. NOBODY HERE knows this!

IF EVER THIS IS TRUE.... would they be surprised? Of course NOT!

**Added to this issue** is the claim that FFWPU has changed the idea of trinity placing True Mother on top of the circle with God and True Father inside accusing us that True Mother presume herself to be above True Father.

These two attached pictures are never been taught here, never been seen here even a shadow form, they never exist nor being discussed here.... WE DONT HAVE ANY IDEA about these...

Their claims are totally a fabricated LIE to destroy others!

# The NEW Divine Principle

Japanese text in the manual declares that True Mother IS True Parents and that True Mother, God and True Father are a trinity with **“God and True Father inside True Mother.”**

世界平和統一家庭連合(協会)作成の パワーポイント資料にある  
「真の母：真の父母であられ、真のお母様の中に  
神様と真のお父様が 三位一体となっておられる」を  
この図表と照らして見ます。  
主体の位置にエバがあり、対象の位置にアダムがあります。

What exactly do these FFWP theological statements mean? The idea of God, Adam and Eve being a trinity is nothing new, but Eve taking the subject position is opposite from the Principle view that Christ, in a subjective position, “the True Father, would come and restore his Bride,”<sup>3</sup> who is in an object position.

Eve taking the subject position in the 4 Position Foundation may explain why Mother has started to sit on Father’s throne, as shown in the photo at left. No explanation has been given why Father has been relegated to the Object position in the empty chair (viewer’s right). *When and why did that happen?* Is this

the reason Mother feels she has the authority to have harsh statements by Father removed from the Cheon Seong Gyeong so that it is more “polished”? Or to have the Divine Principle left out of the central scriptures listed in the Cheon Il Guk constitution (article 14)?

The idea of God and True Father being INSIDE True Mother is certainly a new doctrine that FFWPU should proudly be explaining to American brothers and sisters very soon. At right is a visual representation of this statement.

Following is an attempt to make sense of this intriguing new teaching.

Mother has declared that, unlike Father, she was born sinless (From her “Only Begotten Daughter” speech, July 2, 2014, *“The process of changing the lineage occurred while I was in my mother’s womb. This is something you have to believe... The moment when True Father succeeded Jesus’ mission, when Jesus appeared to him, this qualified True Father as God’s only begotten son. Do you understand? This is something you have to know.”*). Is this why she believes she is qualified to have Father “inside” of her?

## NEW FFWP TRINITY

TRUE MOTHER

GOD

TRUE FATHER

As for why Mother is said to be carrying God inside her, I have no idea. The FFWP will have to explain that one.<sup>4</sup>

## The NEW Divine Principle

On November 16, 2013, near the end of his speech as part of his 5 City Speaking Tour at the New Yorker hotel, Rev. Young Hwi Kim stated, “**we may have to change the Divine Principle.**” He did not give details, but said this in the context of speaking about the importance of the Cheongpyeong providence of ancestor liberation.

This year, brothers and sisters were told they should liberate 420 generations of ancestors instead of 210, of course centering on Cheongpyeong.<sup>1</sup> Soon after True Father's passing to the spirit world, Mother also declared that “True Father will only come to me or to Cheongpyeong.”<sup>2</sup>

Cheongpyeong clearly has assumed a central importance in the Family Federation's understanding of God's providence. Few Unificationist theologians have undertaken a discussion about this shift, and how it impacts, *and changes*, the Divine Principle we have been teaching for more than 4 decades.

I am not a big fan of theological debates, which I often find to quickly deteriorate into angry entrenched positions, with little gained by either party. But I feel compelled to point out to brothers and sisters who have followed True Parents for many decades of their lives, that there are fundamental changes to the Divine Principle being implemented by the Family Federation that have not, to my knowledge, been publicized in the U.S.A.

The following booklet cover image is from a FFWP training manual in Korean and in Japanese titled “**CIG 2<sup>nd</sup> Year (2014) Mandatory Material for the Program for Strengthening (Ministering) Ability of Church Leaders/Pastors.**”

In this training manual, the wife (Eve) is shown in the (viewer's left) subject position of the 4 Position Foundation and the husband (Adam) is in the (viewer's right) object position.
