God's Ideal blueprint

In God's ideal of creation God had created the couple of Adam and Eve to be the center and had to create God's family.

1st they have had to grow passing thru the 3 stages of growth and naturally would have reached their perfection **as God's true son & true daughter**. That perfection would allow them to stand as **God's substantial bodies representing God's dual entities of masculinity and femininity**. Therefore A/E were destined to the position

manifesting God's invisible deity, the living substantial forms of God on the earth.

2nd upon accomplishing individual completion, God would then bestow unto them the blessing of marriage to be a true couple which would allow God to experience the perfection of His love thru the union of His dual entities from the perfection of Adam & Eve.

3rd the marriage of the invisible perfected God with the visible perfected man & woman would have taken place allowing God to take the absolute position as the cosmic parent of heaven, earth and the entire humanity thru a core family of Adam & Eve who would be standing as the first and original progenitors of all mankind.

4th more so, that marriage of the invisible God & visible perfected man & woman would allow God to take the foothold and absolute ownership upon the material world He had created.

Lastly, God and humankind would have been living in a world of true love enjoying the natural world and familial relationship among

themselves. Perfection of the 4 great realm of hearts would naturally be accomplished and **eventually all people as God's children and family** would be living in happiness, peace and harmony. This would indicate that God and perfected A/E would be the ROOT ancestors of the entire human race.

What is the Fall

When Adam & Eve were on the top level of the growth stage they succumbed to the temptations of Satan and committed the most terrible **crime in history**. It wasn't just an act that destroyed the creation but worse than that **was the loss of God's authority over his children and entire humanity**. The Fall had **made God's heart torn into pieces** and was left alone in grief and in pain who lost His children into the hands of an enemy. When He lost Adam and Eve as the hope of His entire created works God was put in a stale-mate situation leaving Him motionless. The Fall brought God into severe sorrowful condition that nobody could fathom at.

How did the Fall take place
by Entertaining Satan's words,
evil thoughts and forming give
and take of heart with him

by Denying God's words and
step by step lost the heart of
a child towards the parents

by Neglecting to see God as
the center and absolute
subject.

by Committing illicit
relationship with Satan

That sexual crime allowed
Satan to create a cemented
wall between God and man
dominating the entire
humanity and become false
father of the secular world.
That illicit sexual relationship
with Satan allowed him to
become the owner of the
creation even before the
history of mankind had begun.

Stages of True Parents Life Course

- *1920 – 1960 Life course as the Messiah
- *1960 – 2000 Life course as the True Parents
- *2000 – 2012 Life course as King & Queen of Peace

God's Heartache DUE to the Fall

- *Existence of communism
- *Disunity of religion
- *Rampant Immorality

The Life course of the True Parents

If Adam had not fallen, there's no concept of Messiah's birth in the name of Jesus. And if Jesus had fulfilled what he was supposed to accomplish there's no need of 2nd coming. However history revealed that all situations ended up in failure and God needed to send our True Father to restore all things left undone and unaccomplished by Adam & Jesus.

God created human beings because He had a dream for them. The Fall caused God's pain, grief and deep resentment, because to fulfill the purpose of the Creation, which God had established, human beings and God should have become one. However, God could not give up. (TM)

Therefore, the providential history of restoration through indemnity, which sought a means of restoring fallen human beings, began. God established an individual, a tribe and a people that could understand Heaven's circumstances and those of the fallen world. The Israelites were prepared over a long period, four thousand years. (TM)

Yet God did not give up; when the Israelites had formed a

national foundation, He sent the messiah as He had promised. The messiah should have formed the True Parents, who would have achieved God's dream and fulfilled humanity's hope. True Parents is the fulfillment of humanity's wish. This is God's dream. (TM)

It took 4,000 biblical years to raise a chosen nation, and sent his only Begotten Son, Jesus. Israelites failed in their responsibility, and sent Jesus to the cross. However, Jesus clearly said, "I will come again." What would he do when he returns? He said, "I will host the Wedding of the Holy Lamb." What does this mean? This means the realization of the wish of Heaven and the dream of humanity who are none other than the True Parents. (TM)

Humanity dreams of finding the True Parents, because only through True Parents can humanity return to the position of the true children of God. By our own effort, we, fallen human beings cannot return to the position of true children of God unless we engraft ourselves to the True Parents who are the true olive trees.

For the first time in 6,000 years centering on the Korean people, the only Begotten Son and only Begotten Daughter were sent, and they hosted the Holy Wedding and became the True Parents of humankind.

The 1960 Holy Wedding of the True Parents and Blessing Ceremonies thereafter:

1960 Holy Wedding of True Parents was the wedding under wilderness course. Even though the positions of True Father & True Mother were already completed & settled by 1990 free from any accusations from Satan, True Parents couldn't proclaim the realm of Parent kingship right away. Only in 1992 after the victorious completion of all the foundations necessary.

Without the Holy Wedding of True Parents the internal providence of salvation could not have begun. The marriage of the Lamb with the prepared bride from heaven as prophesied in the book of revelation was actualized thru the holy wedding of True Father & True Mother.

Blessing is what satan hated the most because that would sever his chain of connection with humankind. The blessing ceremonies conducted following the holy wedding of

True Parents until before the blessing ceremonies in 1992 were for the restoration of the Old Testament era.

From 1992 August, after the public proclamation of **Messiah's position on the** world level thru the victory of Parent kingship, the globalization of the blessing had begun and it started with the 30,000 couples blessing on the FORMATION stage followed by the 360,000 couples in 1995 representing the growth stage blessing on the global level.

We all know that Satan **derailed God's children and destroyed God's ideals on the** top level of the GROWTH stage therefore the success of the 360,000 couples thru the victorious overcoming of the blessing persecution case with the famous & historical Korean-Filipino blessing held in 1996 in the Philippines as extension of 1995 ceremony allowed the blessing providence to move to the completion stage, the stage **where satan couldn't touch** base on the principle.

This victory silenced and obstructed satan from **interfering God's providence** of salvation allowing God to advance the providence centering on True Parents.

Therefore all the blessings following the 1995 ceremony were all held in the realm of COMPLETION stage on which True Parents conducted the 3 sets of Blessing orders, the 1997 blessing of 3.6Million

couples (F), the 1998 36Million couples (G), and the 1999 360Million couples blessing (C).

Finally the blessing providence which is the internal providence of restoration was settled on earth restoring the New Testament age. In conclusion, all the blessings ceremonies given following the Holy Wedding of True Parents are blessings under restoration of OT & NT eras allowing all of humanity to become adopted children of True Parents.

That victorious works of the internal providence of restoration concluded the era of restoration through indemnity and the world was **freed from satan's** imprisonment and was severed from fallen blood lineage.

True Mother's 7 year course

Following the holy wedding in 1960, True Mother had to undergo the 7 years ordeals in order to indemnify all the failures of women in history most especially the greatest failure of Eve in the Garden of Eden. Within this 7 years, True Mother had to start from the bottom of hell and had to emerge victorious by passing all the tests to claim the

rightful position as God's only begotten daughter. True Mother's victory was the condition for True Parents to proclaim God's Day in 1968 because her victory signify the completion & appearance a true man and true woman as restored Adam & Eve.

21 year course of the Providence of Restoration to lay foundations

Family Level 1960 – 1967 establishing the family of the Messiah

National Level 1968 – 1974 installing holy grounds and VOC speaking tours

World Level 1975 – 1981 sending missionaries to all parts of the globe

The Formula Course of the Horizontal Providence of Restoration

In 1985, True Father successfully paid within 40years ONLY all the historical failures of 6000 biblical years thru heavenly formula courses. True Parents had liberated God and claimed the victorious right of God over **humanity and creation. That's why in 1985 True Parents celebrated "God's day Banquet" after the victorious conclusion of the 40 years wilderness course.**

The providence of God's work of restoration is not an easy course since the fall didn't

take place in an instant. Every path has formulas to be accomplished and fulfilled in details. It is an avoidable pattern in history that nobody could just easily ignore. To claim the victorious position of God, True Father had to restore the Right of Son kingship, Parent kingship and **God's kingship from Satan in reversal of the fall.**

The Son Kingship (Cain & Abel unity) (1985-1992)

True Father had to restore the son kingship position thru the victory of Cain & Abel relationship as the fundamental role of Adam figure. Therefore Father had to deal with the world & national levels Cain on the personalities of Gorbachev & Kim Il Sung respectively.

True Parents' successful meetings with these 2 super power communist leaders brought Cain into natural surrender towards Abel on the world & national levels restoration in April 1990 and December 1991 respectively.

True Parents had to solve the problem of communism. It is **Satan's ideology that denies God's existence. Within this 7 years period True Parents had to dissolve this problem centering on the principle of loving the enemy that's why True Parents forgave his enemies & gave everything to them like True Parents'**

investment in Russia and North Korea.

Eve was taken by Satan **because of Adam's negligence** in the Garden of Eden. Therefore Father had to make sure that before True Mother could go out public officially, the Cain world and satanic side must have been under **God's control first to protect the True Mother who is the very conclusion of the history of restoration.**

True Parents Day: was established in 1960 (3.1 HC) under indemnity & wilderness period. Base on the victorious conclusion of the restoration of Elder Son position and fulfillment of all the foundations after accomplishing the indemnity conditions required, on the occasion of 30th True Parents Day in 1990 True Father proclaimed True Parents of Heaven & Earth officially ending the new testament era centering on Christianity.

The Parent Kingship (Parent & Child unity) (1992-1999)

In 1992 Women's Federation for World Peace was organized centered on True Mother. That was the dawn of the new age, the AGE of Women and **Mother's responsibilities. From then on until 1999, True**

Mother had conducted several world speaking tours educating the entire humanity in every corner of the world about Appearance of the True Parents and the Completed Testament Age

Completed Testament Age opened the era of the family beyond the realm of religions, cultures and traditions. After True Father brought Gorbachev and Kim Il Sung to natural surrenders, True **Mother's speaking tours** brought down the Cain world to accept our **True Parents'** vision for peace thru building families centered on love. This became a condition too for True Parents to forgive and bless all the historical evil figures of history in 1998 together with all the great saints in history.

Finally the restored Adam & Eve were settled and the cosmic parent figure could stand on the world level to **bring about God's family on** the earth which never had happened even once at the time of Adam & Jesus. The proclamation of the Completed Testament Age is the completion of Man & Woman and the existence of True Father & True Mother on the earth was the most **awaited part in God's history. Without this, God couldn't** materialize His blueprint and rebuild His lost ideals. The

very hope of God's providence is the settlement of the True Parents on the earth where the very salvation of humanity lies.

From HSA-UWC to FFWPU:

In 1997 April True Parents officially proclaimed the Family Federation for World Peace & Unification opening the era of salvation thru and settlement of families removing the signboard of HSAUWC 43 years after the founding of Unification Church in 1954. This is equivalent to 430 years of Israel indemnity period before entering Canaan. This is also 33 years after the Korean government finally approved its registration and officially recognized as legitimate existing religious movement on October 4 1963.

My Pledge to Family Pledge:

Similarly in 1994 January, True Parents announced the Family Pledge 33 years after **the "My Pledge" which we** were reciting since 1962. This signify the restoration of Jesus life as single individual to ushering the era of salvation thru families.

True Parents are not just founders of a religious movement but the True Parents of humanity and the

direct representatives of God our Heavenly Parent.

Restoration of Kingship

With the absolute unity of True Father & True Mother thru their absolute faith love & obedience to the Will of Heaven, they were able to shorten the providence of restoration in every stage **victoriously. That's why** in 1997, they were able to proclaim the Realm of Cosmic Sabbath where God could finally rest and True Parents could begin the work of **building God's ideal kingdom** on the earth in the era of NO MORE Indemnity. From this time on, True Parents established the Hoondok Tradition, a different level of education centering on True Parents words beyond the Bible and Divine Principle.

On June 14 1999, True Father held the ceremony Congratulating True Mother for her cosmic level victory and thus declared the Cosmic True Parents of Heaven & Earth. True Mother had accomplished all her responsibilities and brought the entire world to the awareness of the existence of True Parents, proclaiming True Parents unsurmountable cosmic level FOUNDATIONS and settled the position of True Parents on the cosmic level.

Because of this victory in 1999, True Parents could usher the Cheon II Guk era in 2000, the realm under the direct guidance of Heavenly Parent and started the Registration Blessing for all Blessed Families. Beginning this point we were marching towards the Settlement Age to the land of CIG.

True Parents in Kingship Era

With all the preparation of True Parents thru their sacrifices by shedding blood sweat and tears and overcoming the life and death ordeals in their path, they could finally offer the Kingship to God and had crowned God as the King of Kings in 2001 Jan 13 signifying the **beginning of God's** sovereignty on the earth. God could finally be settled as the Absolute sovereign King of the entire world of creation both the spiritual & physical worlds after the more than 6000 years of indescribable pain due to the fall.

The next thing True Parents did was the settlement of Jesus Kingship and had

crowned Jesus as the King of Israel and the Messiah in December of 2002 in the presence of many religious leaders from Islam, Judaism and Christianity. From that time on the Middle East Peace Initiative was born bringing great fruits for the unification of the 3 major religions which were actually the descendants of Abraham.

Lastly the settlement of True Parents position as the King & Queen of Peace.

The settlement of the Kingship era begun thru the liberation of God as the King of Kings, **restoration of Jesus' position** as the first Messiah and proclamation of True Parents **position which didn't take** place anywhere in history. This was the trumpet blowing shouting the beginning of **God's sovereignty on the** earth.

The Holy Wedding of True Parents in 2003 which placed them as the True Parents of Heaven & Earth & Humankind was the turning point of human history both the spirit world and physical world. We are not orphans anymore, we have now our True Parents and we are now children of the heavenly kingdom.

The ERA of Human Portion of Responsibility and as Children of the True Parents

In 2008, the new education seminar was required for all blessed families to attend to **with the theme "The Original Substance of the Divine Principle and the Realm of Human Portion of Responsibility."** WHY was that? Since True Parents restored all stages of restoration from individual to cosmic level, they were already done with their responsibilities as the Messiahs and True Parents.

The beginning of HUMAN RESPONSIBILITY was passed down to humanity both the true children & blessed families representing the Abel and Cain type children of True Parents. It is the era for all humankind to take part in **God's providence and for** them to finish their individual to tribe level courses of restoration following the formula courses set by the True Parents.

We need to keep in mind that the very cause of the fall was A/E failure to fulfill their POR **to absolutely obey God's** command, failure to absolute unite with their parent and failure to become one in heart with God.

True Children had to follow the same course:

In every category and stage of the providential works, the Foundation to Receive the Messiah is an evitable pattern to be fulfilled. The True Children are following the same course too among themselves. To inherit the victorious realm of True Parents and for them to stand as Central figures of history they all need to claim the victory of the Foundation of Faith thru their absolute unity and complete submission to the True Parents allowing them to establish the Foundation of Substance and claim the victory over Cain type children who are the blessed families worldwide.

Original Substance of the Divine Principle (OSDP)

The stages of restoration and providential works of God brought about the different expression of the Principle too. Although True Father completed writing the Original Divine Principle in 1952, it **wasn't published as a book** though. Instead he asked the publication of the Divine Principle books in a manner that could be received and understood by the existing Christianity and other religions. Therefore the first book was Explanation of the

Divine Principle (1957) and the next publication was Exposition of the Divine Principle (1966). These are editions used in the restoration era. The dawn of the age permitted the coming of the OSDP in 2008. These are the words intended for Adam & Eve in the growing period without the fall.

This is similar to A/E who were passing thru the growing period before perfection. Therefore understanding the WORD was a very important **condition that's why studying OSDP** and establishing the Hoondok tradition were of primary requirements for our spiritual growth.

True Father mentioned sometime in 2004 on the proclamation of Hoon Dok **tradition that God's words are** the Divine Principle which is the backbone of our faith with the purpose of leading the world to know the Messiah and the other one is the volumes of True Parents speeches which are flesh of our tradition. This means, for a human being to have complete spiritual body, we need the DP & TPs speeches.

The Holy Wedding of True Parents & the National Level Blessing in 2010

- (F) 1960 Holy Wedding – True Parents
- (G) 2003 Holy Wedding – True Parents of Heaven & Earth
- (C) 2009 Holy Wedding – True Parents of Heaven Earth and Humankind

True Parents directed us to receive the next stage blessing which is the National level blessing ceremony in 2010 embarking the new age. This blessing elevated our position from adopted to the true children position of the True Parents of heaven earth & humankind.

True Parents holy weddings that were done in stages has great significance in the **advancement of God's** providence of Salvation (restoration), Rebirth (resurrection) and Re-creation of the entire humankind.

The Era of God's Direct Dominion

Foundation Day

What is Foundation Day? It is opening the era of Cheon II Guk, the time that the world had entered into the direct dominion of God. It is the beginning point of the providence before the fall where Satan has no way to invade and the time which man has to finish his individual course in preparation to reach the realm of perfection. This is the time of re-creation, the era which Adam & Eve hadn't reached. This is completely a new world beyond imagination and comprehension of human intellect.

God's Marriage & True Parents position

God's marriage could only be possible because a perfected union of God's masculinity and femininity had already been accomplished on the earth thru the perfection of True Father & True Mother manifesting themselves as God's substantial visible forms. God's dual entities finally had taken the substantial perfected forms

thereby solidifying God's position being the HEAVENLY PARENT – the encapsulation of both the perfected masculinity and femininity.

The victories of True Father & True Mother in the courses of 3 eras of Restoration, Resurrection & Re-creation had brought them to the level of perfected united man & woman and were sanctified and justified thru the 3 stages Holy Wedding (in the perfection level) held from 2010-2012. These sanctifications and their absolute unity with God led them to the position to carry out God's Marriage Ceremony in 2013.

God's wedding means the marriage of the invisible Heavenly Parent with the visible True Parents of Heaven Earth & Humankind. It is the substantial union of the spirit world and physical world. It is the moment that God could start His heavenly dominion to the entire cosmos.

Significance of Foundation Day Blessing

It was April 21 2012 (March 1 by the Heavenly Calendar) aboard the plane flying to Korea True Father instructed the urgent gathering of 30,000 families in World Peace Center in Cheong Pyeong few hours from their landing scheduled time

Please accept in the heavenly throne the bow by two of us who, hand in hand, pledge to attend to the Absolute Parent of the Original Creator with the gratitude for the God of Night and the God of Day having raised her to the position of perfection."

tparents.org

Aside from the speech additional messages were said by True Father:

- Settle yourself and family firmly centered on True Parents ideal of the blessing.
- Settle your tribe as your final responsibility.
- Establish Hoon Dok hae tradition in your family and tribe

At morning hoonsidhae at Hannam-dong on March 7, Father wrote a calligraphy for Mother. It reads: "The Mother shared by Heaven, the Mother revered by earth"

In reality, before a mother gives birth to a baby, there is a 10-month period of pregnancy in the womb. That urgent gathering was actually a time that all humanity were conceived in True Parents womb and would be BORN AGAIN after 10 months which by counting would fall on the celebration of Foundation Day 2013.

Those 10 months are the period of man's spiritual cleansing, re-creation of new self and re-structuring of earthly lifestyle in preparation before being REBORN thru the Foundation Day Blessing. We have learned later that, True Parents would be giving the total forgiveness ceremony during that time.

Heavenly Parent's DIRECT DOMINION

Following the foundation day blessing blessed families are all standing in the position Adam & Eve prior to the fall and the 7 years from 2013 to 2020 is similar to the completion stage which A/E failed to reach. Therefore this is the period beyond the understanding of the principle and scope of human intellect.

It is OUT of the Indemnity era and outside of the pattern of the formula courses. This is the time that ONLY GOD as

Heavenly Parent and the True Parents of Heaven Earth & Humankind who are absolutely united and had been one in heart & in body can explain. This is the beginning of Heavenly **Parent's DIRECT DOMINION** to the world and humanity.

This is the course of blessed families towards the REALM OF PERFECTION with unknown pattern to copy **that's why ABSOLUTE UNITY** with the Substantial forms of Heavenly Parent on earth thru the True Parents is very necessary and of utmost important in our life of faith.

Since this is the period similar to the completion stage that A/E failed to go through, blessed families had to absolutely restore the things that A/E failed in order to begin a true life without Satan. Adam & Eve in their growing period failed to see God as their absolute central **axis and God's words as their absolute life's guidance. They** failed to establish the filial heart towards the parent.

Therefore, all blessed families in the position of newly born babies from the lineage of our original Heavenly Parent thru the womb of the True Parents of HEH, there is only one way to

reach our original position and that is to go through the True Parents. We need to grow centering on their love and receive direct guidance thru our True Mother and listen to only one voice of God in the Garden of Eden by establishing foundation of heart of filial piety

This is now the era of children and human responsibility! For the children to inherit the victorious foundations of the Parents, ABSOLUTE UNITY & COMPLETE SUBMISSION to the absolute subject is the most imp't condition. Life of Hyo Jeong (heart of filial piety) is very much important. It is a life of attending the Heavenly Parent & True Parents. True Children & Blessed Families alike are in the course to fulfill that condition. This is the course for our justification & sanctification too.

TRUE MOTHER's position after Foundation Day

Based on historical records of True Parents course, the role of Adam & Father and role of Eve & Mother were all have been fulfilled and accomplished successfully & victoriously BEFORE THE KINGSHIP ERA could begin. **They had held the God's** marriage ceremony thru the foundations of perfection of

True Father & True Mother. Therefore, True Father & True Mother are not just ordinary parent in category but they **are in the position of God's** substantial forms on the earth. THEREFORE, their position is above anybody and any condition. They are DONE already with all the courses of restoration, rebirth & re-creation. It is absurd to claim & say that in order to build the CIG we need the victory of

Father-son or Mother-son cooperation only. Those were needed in the realm of restoration which True Parents had already finished. 2013 is the realm beyond the course of restoration. True Mother is the female form of God on the earth, the only begotten daughter of Heaven that the 2000 years period of Christianity had sought.

Anybody opposing this truth is denying all the historical providential victories accomplished and instituted, proclaimed and declared by the True Parents from the beginning of TPs **ministry in 1945 until TF's seonghwa in 2012.**

Vision 2020 is a 7-yr course providence which is paralleled to the 1st 7 year course (1960-1967) offered by True Parents in the beginning of a new era right after their Holy Wedding. However that 1st 7-yr course was the start of the "restoration providence" centering on True Father & True Mother together as the True Parents while in the realm of indemnity.

However, the 7-yr course of *Vision 2020 is the conclusion of the providence and the substantial building of God's Cheon Il Guk nation while in the realm of kingship and cosmic peace.*

The Settlement of the Providence of Restoration – Resurrection – Re-Creation

1. True Parents settled God:

A. In 1968, 7 years after the Holy Wedding of True Parents, they have declared God's Day. This was the result of Father's victories thru paying the indemnity of the failure of 6000 yrs. AND of Mother's victorious foundation of absolute unity with Father within 7 years following their holy wedding in 1960. God's position was lost due to the fall of Eve. The most important condition to finally restore it is the victories of True Mother in a restored Eve position

B. In 2001, The Coronation Ceremony of God's Kingship was held on January 13. It means that God could stand in the original position. The True Parents' Entrance Ceremony to Cheon Jeong Gung on June 13, 2006 means that God, the vertical True Parent, settled down on the earth for the first time in human history on the foundation of the unity of True Parents and True Children.

C. In 2009 the "Coronation for the Authority and Liberation of God, the King of Kings" was held 3 times: on January 15, 2009 (Formation Stage),

January 31, 2009 in Korea (Growth Stage), and January 31, 2009 in New York (Completion Stage).

It means that God's authority of Totality, Generality, Full Power, and Omnipotence was liberated, and now there is no accusation from Satan. God can freely exercise everything. Then, after the Coronation, True Parents came to become God's body and freely exercise God's authority as His body. Therefore, the Coronation corresponds to the starting point that God and True Parents govern heaven and earth. (from the lecture on the providential history by Professor Taek Yong Oh)

D. In 2013 Foundation Day, the Marriage of the God of Night & God of Day; the invisible Heavenly Parent & the visible True Parents took place. This is the result of True Parents victorious foundation of their Firm settlement as True Parents of Heaven Earth & Humankind and their absolute oneness with Heavenly Parent

2. True Parents settled the Position of True Parents:

A. 1960 Holy Wedding – the liberation of True Parents. For the 1st time in human history God's only begotten son & only begotten daughter appeared on the earth

B. 1990 Holy wedding – the world level proclamation of the True Parents after the wilderness course.

C. 2003 Holy Wedding – the cosmic proclamation of the King & Queen of Heavenly Kingdom after True Parents have crowned God as the King of Kings in 2001.

D. 2009 Holy Wedding – the perfection Blessing of True Parents on the cosmic level and the affirmation of their absolute oneness with Heavenly Parent taking the position as God's substantial bodies on the earth.

E. 2010-2012 The 3 Golden Wedding Anniversart Celebrations of True Parents represent formation, growth and completion stage, a proclamation of the perfection of the True Parents as the Substantial Manifestation of Heavenly Parent with perfected masculinity & femininity.

3. True Parents settled God's Homeland:

After the creation of 38th parallel - DMZ zone separating North & South, it gave God another greatest heartache next to the pain of losing His children due to the Fall. The division of North & South Korea is a proof of the existence of satan's false sovereignty. Unless this demarcation line is dissolve, God's heartache couldn't be resolved.

God's dream is not only individuals but restoration of the world. More so, God's dream is not only for human's salvation but the establishment of God's Kingdom on the earth.

True Parents toiled and labored with their sweat blood and tears to recover the things that were lost one by one by laying solid foundations expanded to the world level so that God could claim Korea again.

Only at the time of cosmic proclamation of True Parents in 2008 July that Korea restored itself to be God's Homeland and the central nation of Cheon Il Guk. The settlement of God's Homeland should be made possible on True Parents providential timetable in 2020 and onward after achieving its substantial position.

4. True Parents settled God's Words:

A. God's work of creation started with the "Word". The original "word" was lost due to the Fall. The "Explanation & Exposition of the Divine Principle" books are for the courses of restoration. However, when things were settled by True Parents victories and foundations, human spiritual & intellectual levels are already capable of digesting and comprehending the truth, finally in 2008 the "Original Substance of the Divine Principle" was inaugurated. OSDP is the principle centering on God, God's heart & God's will in the course of restoration.

B. Nonetheless when the advancement of the providence went beyond the course of restoration to the original course of humanity, True Parents inaugurated the Cheon Seong Gyeong (textbook of life for all blessed families) & Pyeong Hwa Gyeong (textbook of how to build the ideal world).

C. In the beginning was the Word, God is the word and the word became flesh and dwelt among us. The WORD is the LOGOS the original blueprint of

human beings. The perfection of True Parents is the completion of that LOGOS that exist before the creation. April 14 2012 speech, True Parents declared the firm settlement of the True Parents of Heaven Earth & Humankind and the Substantial Word. Which means God = True Parents = Word = ABSOLUTE ONENESS - they are inseparable!

D. Finally God's Word had been settled and had its conclusion when the "Chambumo Gyeong" was published in 3 major languages (Korean-Japanese-English). It signifies the completion of completion. The settlement of God's words thru the 3 Holy Scriptures signifies that the mission of the Messiah, the True Parents is already finished, fulfilled and concluded and ushered us to a new era.

5. True Parents settled Blessed Families:

A. Stages of Internal Settlement thru Blessing Providence

Church Blessing (1960-2009) = providence of restoration of sin thru indemnity

National Level Blessing (2010) = providence of resurrection of life & registration

Foundation Blessing (2013) = providence of re-creation and actual rebirth from the womb of Heavenly Parent & True Parents of Heaven Earth & Humankind

All those providential courses of the blessings internally settled all blessed families according to our rightful position and these all became possible ONLY because of the sacrifices, suffering and selfless love, undying dedication – commitment & strong will of True Parents by paying indemnity for all of us. Without the True Parents, the providence of salvation thru restoration rebirth and recreation would have been possible.

Condition for Salvation- Center of Salvation – Core Content of Salvation

If salvation can take place thru the single messiah, Jesus, the world would have been saved in his time. **BUT it wasn't!**

If salvation thru the Blessing can only be given by True Father alone, he could have started blessing **the members since 1950s. BUT it wasn't!**

If we believe that Blessing is Rebirth, it can only take place thru the union of both the father & mother

Giving birth to a new human being has been carried out by the mother for a period of

40weeks. The seed from the Father has to grow thru **the mother's womb, nourish by the mother and taken care of by the mother.**

Therefore the condition for salvation- center of salvation – core content of salvation is the True Parents of Heaven Earth & Humankind, both True Father and True Mother.

B. Condition for External Settlement

We have to fulfill our 5% share of responsibility for our completion & external settlement, and that is the fulfillment of our Heavenly Tribal Mission. True Parents last prayer is the bequeathal of their mission to the Blessed Families as Heavenly Tribal **Messiahs. Mother's speech on Sept 12, 2012: The physical and spiritual completion of Cheon Il Guk on earth becomes possible when tribal messiahs fulfill their mission.**

Tribal Mission Providential development
