**Re. : Survey of the Current Situation of Human Resources with Expertise Related to the Arts of Cheon Il Guk based on the Culture of Heart**

May our Heavenly Parent and True Parents' blessings and love be with you all.

True Parents said the following:

*"Culture is an essential foundation to the firm settlement of Cheon Il Guk. That is why I would like to carry out a cultural revolution. This will not be the existing culture centered on Satan but a culture that will encompass our Heavenly Parent and the True Parents' dream and heart – it will be a revolution of the arts under the culture of heart."*

In saying this on a number of occasions, True Mother has emphasized a revolution of the culture of heart. In accordance with this direction, the International Headquarters is seeking to find out about human resources in your nation or region involved in this field and who can contribute to the foundation and development of the Arts of Cheon Il Guk based on the Culture of Heart.
