[TV Chosun] Kim Jong-Un Sent Message of Condolence on the ‘Third Seonghwa Memorial of Rev. Sun Myung Moon’

[Anchor] Yesterday, on the occasion of the third anniversary of the ascension of the late founder of the Unification Church Rev. Sun Myung Moon, North Korea sent a message of condolence to the bereaved family. The late founder of the Unification Church Rev. Sun Myung Moon is known for his deep relationship with North Korea, most notably promoting economic interchange between North and South Korea with the late North Korean Premier Kim Il-Sung.

Reporter Chae-Han Lee will cover the news.

[Reporter] Kim Jong-Un of North Korea sent a message to the bereaved family of the late founder of Unification Church Rev. Sun Myung Moon, who ascended in September, 2012.

In his message, Kim Jong-Un stated, “On the occasion of the third anniversary of the ascension of Rev. Sun Myung Moon, I would like to offer my deepest condolences to Dr. Hak Ja Han Moon and to the bereaved family” and also mentioned, “Rev. Sun Myung Moon had made great efforts for world peace, and it is my greatest hope that Dr. Hak Ja Han Moon and the bereaved family will carry on his will and legacy.”

Kim Jong-Un had also sent a message of condolence when Rev. Sun Myung Moon passed away in 2012, due to complications of cold and pneumonia, and awarded him with the “National Reunification Award.”

Rev. Moon is the late founder of the Unification Church, and the Unification Church is presently operating various entities including educational organizations and media agencies.

Rev. Moon met Kim Il-Sung of North Korea in 1991, and made agreements on economic interchange between North and South Korea. He also contributed toward realizing the Inter-Korean Summit, the meeting of separated families between North and South and the development of Kumgangsan.

Some analyze that the Unification Church and North Korea had a lot in common since the Juche ideology and the only governing system of North Korea are close to that of a “religious community.”
