The Family Federation is a religious organization, but it is carrying out various activities in an effort to become a group that can present the way for the Korean people to open the door for unification. This has been the wish of Rev. Sun Myung Moon and Dr. Hak Ja Han, founders of the Segye Times and the founding ideology of Segye Times. I hope that the reporters of the Segye Times will take the lead in setting the spiritual cultural of Korean society correctly, with the realization of true social justice,” said Family Federation-Korea President Kyeung-Seuk Ryu.

“I would like to express my sincere gratitude to those who have contributed to the development of the Segye Times during this difficult climate in the province, and hope that this meeting will be an important place for communication between the Tongil Foundation, the Family Federation and the Segye Times,” said Segye Times Vice-President Chan-Joon Park as he raised a glass in toast to the victory of the meeting.
