Pastor's Weekly Greeting

Dear Brothers & Sisters,

Greetings!

I hope you kept safe this past Sunday. What an ice storm!

I was happy this past Sunday to attend the opening of the Harlem Center with Juanita and Edner Pierre-Louis. Congratulations to all the Harlem members! There were good people, good testimonies and reports, a good message, good food, and a beautifully decorated sanctuary. Let's pray for their success!

Again, please continue working on your Tribal Messiah (TM) Binders. If it helps, I have attached the contact info sheets that my wife and I are using. If you haven't started, please make time to do so. It is especially important that we take steps forward as TMs before God's Day (Feb 19)

And please visit www.familyfed.org and read Rev Vincenz testimony.

Let's make this a great week
God Bless You!

Chess Playing Dog

A man went to visit a friend and was amazed to find him playing chess with his dog. He watched the game in astonishment for a while.

"I can hardly believe my eyes!" he exclaimed. "That's the smartest dog I've ever seen."

"Nah, he's not so smart," the friend replied. "I've beaten him three games out of five."
