Pastor's Weekly Greeting

Dear Brothers & Sisters,

Greetings!

We were honored this week to have Dr Ki Hoon Kim speak at Belvedere. If you missed it, his sermon is available above. The service began with a testimony from Dr Walsh and a viewing of the latest E-WEEKLY report from I Peace TV. It gave us all a sense of how TP are working throughout the world.

I very much appreciated Dr Kim's message. As you may know there are some who are pointing the finger at him, Dr Balcomb, Dr Jenkins, and other leaders. His primary theme was the importance of uniting with True Parents (our True Mother) and the importance of putting love into practice. If you do not feel that you are in Cheon Il Guk, if you don't feel True Parents' spirit with you – then take some time to practice true love. When we do that, everything changes. Aju to that!

I want to let everyone know that we are in the process of planning a Forgive Love and Unite campaign centered on sharing the Divine Principle and our True Parents love with others. The

tentative date is April 26 – May 17. The main location will be 43rd Street (although we will plan some special rallies in Queens, Bronx, Brooklyn, and Harlem). Please begin making plans in your schedule so that you can participate (ideally for one week, or at least 3 days)

As I mentioned last week, I am grateful to True Mother for encouraging us to witness. Whenever I go witnessing or when I teach the Divine Principle, I always experience a sense of being in Cheon Il Guk.

On Wednesday night – everyone is invited to come to the holy rock at Belvedere for the midnight prayer – in preparation for Heavenly Parents' Day and the start of the 3rd year of Cheon Il Guk.

Pledge service the next morning (Thursday Feb 19) will be at East Garden at 8 am. (if you are coming, please send me an email – so I know the number)

Let's make this coming year a great success!

God Bless You!

Humor for the Week

Restaurant Cell-Phone

Friends and I were chatting over dinner in a restaurant. A man at the next table told his cell-phone caller to hold on. Then he stepped outside to talk.

When he returned, I said, "That was very thoughtful."

"I had no choice," he nodded and said to me. "You were making too much noise."
