

Newcastle Community has a Magical Celebration

Simon Cooper
February 17, 2012

Many families gathered to Celebrate True God's Day and True Parents' Holy Birthdays. We had a short service to offer our celebrations to Heavenly Father and reflect on the start of a New Year 2012.

Then we had a short interval while a Magician set up. We had such a variety of wonderful food thanks to each family bringing a large amount.

The show began and at first all children were a little quiet, but once the young children started to help Magic Murtle with her spells.

All the audience were laughing. Poor Victor volunteered to have his head sliced off! Afterwards he was speechless – which amazed his mum...

Tianna was an enthusiastic helper and enthralled us with her Magical tricks especially when a fluffy rabbit appeared!!

Magical Murtle gave all the children a balloon model to take home and lots of laughter. Everyone enjoyed the show, it was a great success!!

This was a good opportunity for many families to get together and share our thoughts and desires for the coming New Year.
