

Visit of Rev. Jack Corley

Stuttgart, Germany, 15. – 16. August 2015

The weekend started with a brief sightseeing tour of the town of St. Blasien and its basilica, which lies directly 40 km south-east of Freiburg. There we met Jack Corley and Peter Staudinger on their way from Zürich. After a short break and rest in a coffee shop, we drove to Freiburg where we

had a meeting with brothers and sisters from the region in a café.

During the Sunday service in the Stuttgart center, Jack talked about his life and brought us closer with some words of True Father. Afterwards we sat

in a circle for discussion, and Jack answered many personal questions.

Even though many of our community were on vacation, those present could feel the Providence is advancing with Rev. Jack Corley as the newly inaugurated European president.
