August 21, 2015

*We are preparing for the official launch of Cranes Club Europe. Read how you can contribute.*

Hello Cranes Club Members,

The Preparatory Committee is planning a launch event early in 2016, and we're asking each of you to help define what the Cranes Club will make it's major focus and initiatives. Our vision is to use the launch event as a forum to allow for the members to present proposals for how to structure, finance, and build the Cranes Club, and through a process of discussion and voting come out with a Club Constitution, a Board of Directors, and a focused set of initiatives to create some real results in our first year.

In order to plan an event that the Crane Club Members are inspired to attend, we've put together the below survey to get some feedback on the practical side of planning. Please take the time to respond, as we will use the results of the survey to determine where and when we hold the event.

## Survey for Launch Event

Hello Cranes Club Members,

The Preparatory Committee is planning a launch event early in 2016, and we're asking each of you to help define what the Cranes Club will make it's major focus and initiatives. Our vision is to use the launch event as a forum to allow for the members to present proposals for how to structure, finance, and build the Cranes Club, and through a process of discussion and voting come out with a Club Constitution, a Board of Directors, and a focused set of initiatives to create some real results in our first year.

In order to plan an event that the Crane Club Members are inspired to attend, we've put together the below survey to get some feedback on the practical side of planning. Please take the time to respond, as we will use the results of the survey to determine where and when we hold the event.

**\* Required**

### Date of Event

**a) \***

At the moment we are looking to hold a weekend event in early January 2016, from Friday evening to Sunday afternoon. If the event was held from January 8 - 10th 2015, would you be available to attend?

- Yes
- No
- Not Sure

**b)**

Is there a weekend in January 2016 you would definitely be available?

- 8th - 10th
- 15th - 17th
- 22nd - 24th
- 29th - 31st
- Not available in January

**c)**

If you're not available in January, or you would prefer that the event was at a different time of year, which weekend would you suggest would be most ideal?

### Price

We would like the Cranes Club to start as a financially independent organization, and so we will

cover the cost of the event with a registration fee. Naturally, the quality of the event we will be able to provide will depend on the budget available.

**Considering that the quality of the venue will depend on what kind of registration fee we request, what is the max registration fee you would be willing to pay for the Cranes Club event, including accommodation and food? \***

- € 250
- € 200
- € 150
- € 100
- € 50
- I only attend free events

## Location and Venue

\*

Considering the answers you gave in the above questions, which location do you think we should hold the Cranes Club event?

- Frankfurt, Germany (most likely Camberg)
- Geneva, Switzerland
- London, UK
- Prague, Czech Republic
- Vienna, Austria
- Zurich, Switzerland
- Other:

**How old are you? \***

- 18-22
- 23-25
