

We Are Ready to Launch! You are invited to the Cranes Club Launch Event

Jack Corley
November 3, 2015

Dear all,

We can all remember the enthusiasm with which we welcomed True Mother last May in Vienna at the Cranes Club Kick-off. She inspired us and challenged us to "become the beautiful fruits of our Unification culture", while developing our talents and expertise. It is our great pleasure to invite all of you to the **first event of the Cranes Club** in Europe, which will take place in **Camberg, Germany** from the **8th to the 10th of January**.

The goal of the weekend will be to formally establish the Cranes Club in Europe, deciding of a Constitution and mission statement for the organization, and voting on an executive committee and structure. It will also be the occasion to meet and network, to discuss about our faith, careers and ambitions, and to inspire one another.

We are inviting some guest speakers, whom we hope will contribute to inspire you in your spiritual and professional lives. The final program will be communicated to everyone as the preparations go further but we are quite excited about this event and hope we can all gain a lot from it!

The workshop costs will be **85 €** if you register **before December 10th**, and **100€ after December 10th**. To register, please fill in the form here.

For those of you who want to attend just the scheduled events, but do not wish to sleep in Camberg, the workshop fee will be reduced to 50€.

A pick up will be organized from Frankfurt am Main airport. This shuttle will cost 10€ (to pick you up and drop you back at the airport)

Please inform us **as soon as possible** of your travel arrangements through this form here.

Finally, in order to create an official structure for the Crane's Club, we would like to invite you to **share your proposals** through this forms. These proposals will be discussed and voted on during the workshop. It is therefore very important for us to hear your vision and thoughts about the club, in order for it to be an organization for all of us, by all of us! The following Google spreadsheet will be used to **nominate individuals** or yourselves whom you think should be in the **executive committee** of the cranes club. On the same link, you can also see all the proposals already submitted in order to have an idea of what there is already. If you have a Google account, you will be able to comment directly on any of the proposals, so in this way each proposal can be discussed and hopefully approved in advance.

For any additional question regarding the event, please contact Youngil Loew.

For any question regarding travel arrangements, please contact Olivier Gravrand.

We are looking forward to hearing from all of you and seeing each other again in January!

Sincerely,
The Cranes Club Preparation Committee
