

57th True Parents' Day

We, the True Parents, have opened a new age by completing, concluding and closing the entire history of the providence of restoration through indemnity. We opened the era of Cheon Il Guk. Now you need to reach out and educate your neighbours and people of every nation, to enable them to unite with the Will of our Heavenly Parent and True Parents. This is the best way to satisfy the debt you owe to God in return for His love and blessings, and to fulfil your mission for humankind.

Dear Brothers and Sisters,

On the 57th True Parents Day 2016, we want to wish you and your family God's abundant love and blessing. Since that special day in 1960 when our True Parents had their Holy Wedding, all of humankind now has the hope for salvation. We are the luckiest people in history. Let us again give gratitude for the life that we can now live on the foundation of True Parents' Blessing and share this good news with the rest of humankind.

Sincerely,

Jack and Renee Corley
