European Vision 2020 Fund

Jack Corley

May 21, 2016

Dear European Brothers and Sisters,

Since the ascension of True Father in 2012, True Mother has been the steady hand in leading our worldwide Movement toward the substantial establishment of *Cheon Il Guk*. Since the proclamation of *Cheon Il Guk* on Foundation Day in 2013 and during the three-year period of mourning, True Mother has set our Movement on course to realize our Heavenly Parent's long-cherished desire for the ideal world. During this time our worldwide family also has faced many challenges. At the recent 56th Holy Wedding Anniversary True Mother again restated her conviction that the next four years are indeed four years of hope, and through the blessing of four new Holy Items, True Parents are offering all of us extraordinary grace and forgiveness and the opportunity to make a new beginning (details in a separate memo). Here in Europe there are many hopeful signs of revival and renewal within our Movement. You may follow the reports and testimonies on the European website www.uc-eu.org

With this memo, I would like to appeal to those of you, who feel moved and are capable, to support the special Vision 2020 Fund, which originally was initiated in 2013.

- This appeal is to any of you who are able to make a donation, however large or small, during the coming period through to 2020.
- This could be made as a regular monthly contribution, or a once-a-year donation, or even as a one-time or irregular donation.
- Please understand that any such contribution would be in addition to (not instead of) our fundamental responsibility to tithe to our local FFWPU community.

Among the projects we currently would like to support are:

- Vision 2020 projects on the European level and in strategic and providential nations
- Enabling European Leadership Conferences and Projects (by UPF, WFWP and FFWPU)
- Supporting Divine Principle Education in Europe
- Funding European-level responses to requests from True Parents
- Establishing a European PR department
- Developing FFWPU and UPF websites for public outreach

To register as a contributor to the Vision 2020 Fund and to donate, please go to the link on our European website <https://sites.google.com/a/europeanoffice.net/uc-europe/donations> .

I would like to take this opportunity to thank those who have already been contributing to this fund. Be assured that any amount you can contribute, however large or small, will be received with deep gratitude and appreciation.

Yours sincerely,

Jack Corley
Regional President, FFWPU Europe

Vision 2020 Fund

Excerpts from True Mother's words 9 January, 2013

Let us endeavor to make the year 2020 the best year of your lives, working hard for seven years until the day on which we can dedicate this nation to Heaven. It is not just this nation. Until all the 7 billion people of the world's population have been given rebirth, you need to risk your lives and give yourselves completely. When you go to the next world after fulfilling this responsibility, who do you think will be the first person to welcome you in heaven? "Ah, you have come. You have done great work in serving Mother. I remember you." If Father says this to you, how wonderful would it be?
