Anniversary  
of  
True Parents' Holy Wedding

*"April 11, 1960, was the day of True Parents' Holy Wedding. Externally speaking, it was an ordinary day; nothing seemed out of the ordinary. However, the Holy Wedding that took place on that day made it a day totally different from any other in history."*

True Mother, 25 December 2012

Dear Brothers and Sisters,

Let us joyfully remember the anniversary of the Holy Wedding of our True Parents. This event was a turning point in Heavenly Parent's Providence to find His True Son and Daughter, for whom He had been waiting throughout all of human history.

We are the most privileged ones who can be witnesses and participants in this extraordinary Heavenly Providence. On this Easter week, let us also reflect on the foundation upon which we stand, established by Jesus and the Holy Spirit, who together with the saints of history, have paved the way for us to be in this privileged position.
