**Gift of Gratitude for Jack & Renee**

---

Dear National and Community Leaders,

Many greetings from the European Office.

Jack & Renee Corley have been serving the European Region with admirable faith & loyalty, especially as the Regional Director for the last 2 years. Responding to the direction of True Mother, they now prepare to begin a new mission and relocate themselves.

To support Jack & Renee as they make this new start, and as an expression of gratitude for their service, this fund is being collected so that it may be offered to them as a gift. Hopefully this can be presented to them in Berlin at the events there during the first weekend of August.

Please give a donation of any size.
