

The Day of Glory of Lithuania and Hyo Jeong Culture Festival

Jack Corley - November 5, 2017

Every year Family Federation of Lithuania commemorates the day when True Parents for the first time visited the nation. It happened on October 23, 2005, during the UPF Inauguration Tour by True Parents. That day members started to call the Day of Glory of Lithuania. In this year members decided to combine celebration of the Day of Glory with Hyo Jeong Culture Festival which took place on November 5th in Vilnius. Additionally it became a preparation for the continental level HJ Culture Festival which will take place in December. There were music and singing entertainments by blessed children and parents. HARP group showed energetic MuJoGeon dance. Please watch video [here](#).
