

Second Generation Hyo Jeong Summer Camp

Lithuania, July 4-8, 2018

4-8 July annual 4 day workshop for the 2nd generation of the Baltic states was held in Lithuania with the motto: "Happiness: Purity in Heart, Purity in Mind". In total 22 participants gathered representing two age groups: elder group 11 to 15 years old, and younger group 7 to 10 years old. Both groups received lectures of the Divine Principle, with an emphasis on achieving a happy life through the attendance to a standard of purity both in mind and in heart. They also enjoyed many sports and games sessions, building stronger connections in their teams and age groups, which helped them successfully overcome Challenge day.

On the last night we had barbeque and a camp fire, where everyone could enjoy marshmallows, singing songs, dancing and having a good time. Workshop included a Sunday Service too. Some parents and Lithuanian brothers & sisters came to join it at the workshop site in beautiful nature surrounding. Sunday Service and workshop itself concluded by the first Pure Heart (Il Shim) ceremony held in Lithuania, with 6 elder 2nd gen. brothers attending, including Ainars Dukalskis, Linards Dukalskis from Latvia, Joris Vaicekauskas, Robert Karagezian, Mindaugas Lee and Aleksei Krasavcev from Lithuania.
