### Prayer and Support for Japan

Joshua Cotter

March 16, 2011

Dear Brothers and Sisters,

May the love and blessings of our Heavenly Parent and our True Parents be with you and your families.

Our True Parents are deeply concerned about and are praying for the people of Japan, especially our blessed families there, who have been affected by the earthquake, the tsunami and now the nuclear crisis. Our brothers and sisters in Japan have made so many sacrifices and have given so much over the last several decades to America and the world. Now, in their time of need, True Parents are encouraging the American families to respond and do all we can to lend our support. We are all in prayer for the people of Japan, in light of the disaster which took place last week, and which is still unfolding in that nation. Our Japanese church is doing all that it can to reach our church families that have been affected by this tragedy.

Our Senior Pastor, Rev. In Jin Moon, has made a way for families here in America to offer donations in support of the Japan relief efforts, which will be long-term and ongoing. She will make an official announcement about this effort on Friday, March 18, at the Youth Concert for World Peace and Ideal Families, which will be held at the Manhattan Center Grand Ballroom from 7:30 PM. We now have the link up on our national website for you to make your donation, It is similar to what we did in response to the earthquake and subsequent tragedy in Haiti last year. Please see the link contained here in this letter and visit the website.

Thank you for your prayers and we will continue to give you updates about any developments in Japan.

May God bless your family.

Rev. Joshua Cotter  
Executive Vice-President
