True Father's Words on Jeong Seong (Devotion) and Love

Joshua Cotter
August 3, 2012

Dear Brothers and Sisters,

It has been a week since the start of the 200-day condition of Jeong Seong or devotion that our True Parents invited us to participate in. It is such a privilege to be living at the same time as the Messiah and to be able to prepare for Foundation Day under our True Parents' direction.

I stumbled upon a very relevant speech, "**With Jeong Seong and Love**" that I wanted to share to support your Hoon Dok Hae.

Father's words are timeless. Although the speech was given in 1999, the words leaped off the pages for me. Father explains why offering Jeong Seong matters to us and to God. He articulates the need for Jeong Seong in such a poetic way that takes you into the heart of God and explains how, as humble and inadequate as we are, our Jeong Seong can liberate God and the world.

This condition can unite us together as we lay the groundwork for Foundation Day. If for any reason the bowing condition is too difficult for you, please catch the heart of what True Parents are offering us and feel free to choose another way to respond.

With gratitude for your offering,
