

## Clifton, NJ Family Church: True Mother's 21-day prayer for Korea's unity

Crescentia DeGoede  
July 3, 2020

### Letter from Our Pastor

**Dear Beloved Brothers and Sisters,**

Happy Independence Day! With the many challenges our country is facing right now, it can be easy to take for granted all the incredible freedoms we enjoy by living in this country. However, when we really stop to think about it, we have so much to be grateful for as Americans. Let's never forget the sacrifice of the thousands that laid down their lives so that we can enjoy the freedoms we have today.

There is another battle that is yet to be won, that of a united Korea, our True Parents' homeland. To speed this along, True Mother and the Korean members are offering a special 21-day prayer condition for Korea's unity. Kodan has organized a prayer condition for us to join in too. For details on how to participate see below.

On a different note, some exciting new programs are being offered this summer for children, young adults and families to enjoy. This Sunday we will start an interactive Virtual Sunday School Summer program which we hope all our young children can join in on. Please register below.

As always, please take good care and have a wonderful week!

**Many Blessings,  
Pastor Crescentia**

**Join the 21-day Jeong Seong Condition**

Leaders in Korea have been offering a 21-day Jeong Seong condition in Jeongshim Won Prayer Hall every day from 11:00 a.m. to 2:00 p.m KST starting June 28, ending July 18.

Kodan brothers and sisters in America are already joining in the condition, including Dr. Ki Hoon Kim, Regional Chairman of FFWPU North America. 10 participants per district, 120 people total, will meet every day to offer 21-30 minutes of prayer per person at the same time as Korea. Anyone is welcome to make this Jeong Seong condition on their own as well.

The prayer points for the condition are:

- The Unification of North and South Korea
- Victory of True Mother's Rally on July 19th in Korea
- Victory of America strengthening the witnessing environment in cooperation with ACLC, UPF, WCLC, and WFWP activities
- That top Christian and political leaders in US recognize True Parents' great work and honor our True Mother
- For a victorious sharing of True Mother's Memoir, so that we can work and strengthen for Heavenly Tribal Messiahs activities and outreaching

## CARP Rekindle

CARP New Jersey has initiated a summer program for the summer of 2020. With the situation of the coronavirus, it is easy to lose spirit or connection to our faith.

The purpose of the program is to rekindle our faith with the fire of the Providence led by True Mother. The program runs from June 8 to August 3 and consists of a weekly guidance all together and daily HDH in trinities.

The topics for each week were pulled from True Mother's speech at the 60th Anniversary of the Holy Wedding on May 8, 2020. So far, the program has 27 participants from not only CARP NJ, but also young people from around the country as well.

This week we will have a guidance from Rev Compton on True Parents.

Anyone interested in the contents are welcomed to join the program. Guidance will be from 3-4pm every Monday.
