Letter from Our Pastor

Dear Beloved Brothers and Sisters,

This week I read the section, "God's Light Shines Upon a Path of Thorns" from True Mother's memoir, *Mother of Peace*. I was so inspired to read about the incredible victory True Parents and our early members in America were able to bring in the 70s, despite encountering many challenges, by having faith in True Parents, and acting boldly and courageously to accomplish God's will for America. I know many of you contributed to these efforts, and I want to sincerely thank you.

Reflecting on the spirit of the 300,000 people that gathered at the Washington Monument in September 1976, True Mother expresses, *"We could feel it: God is alive in America."* She goes on to describe the many different creative projects and initiatives our members undertook nationwide to serve and uplift the spirits of the American people.

Brothers and sisters, God is still alive in America! Kept alive in the hearts of faithful, God-loving Americans in our community and beyond. Now, more than ever before, is the time to call Americans to stand together as one united people centered on our common parent, our Heavenly Parent. Our True Mother, the Mother of Peace has the true love power to bring us all together. Let's join together in sharing her story, and getting our True Parents' message of peace to an American people in need.

At the same time, let's be nourished and healed ourselves through the love and blessings of our True Parents, and also reach out to one another and express God's love to one another in these challenging times.

As always, please take good care, be healthy, and have a wonderful week!

**Many Blessings,
Pastor Crescentia**

Kodan brothers and sisters in America are already joining in the condition, including Dr. Ki Hoon Kim, Regional Chairman of FFWPU North America. 10 participants per district, 120 people total, will meet every day to offer 21-30 minutes of prayer per person at the same time as Korea. CARP Rekindle

CARP New Jersey has initiated a summer program for the summer of 2020. With the situation of the coronavirus, it is easy to lose spirit or connection to our faith.

The purpose of the program is to rekindle our faith with the fire of of the Providence led by

True Mother. The program runs from June 8 to August 3 and consists of a weekly guidance all together and daily HDH in trinities.

The topics for each week were pulled from True Mother's speech at the 60th Anniversary of the Holy Wedding on May 8, 2020. So far, the program has 27 participants from not only CARP NJ, but also young people from around the country as well.

This week we will have a guidance from Rev Compton on True Parents.

Anyone interested in the contents are welcomed to join the program. Guidance will be from 3-4pm every Monday.
