Letter from Our Pastor

Dear Brothers and Sisters,

I hope this letter finds you and your family well. With Thanksgiving coming next week, I want to take this opportunity to express my gratitude to you. I am grateful for your presence and participation in our community, support of me as your pastor, and your contributions to our community, financial and otherwise. Thank you for being a blessing to me and others!

I also want to express a heartfelt thank you to two wonderful leaders of our community, Pastor Naokimi Ushiroda and Ms. Tomomi Fukuda, who have been faithfully serving our community over the last two years, and were recently appointed to new roles on the national level.

Pastor Naokimi was instrumental in the mobilization efforts leading up to the Prudential Center rally last year. I am grateful for his patience and diligence in supporting our community in bringing a great victory for God and True Parents. I am also grateful for Pastor Naokimi's leadership of our community in my absence while I was on maternity leave. As well as, his continuous support in the organization of our district into counties and small groups, and spearheading a new educational system for our guests and new members. He will be missed, but I am excited and proud to send him on to his new mission as the first second generation National President of FFWPU, and Subregion 1 Director. I look forward to continuing to work with him in this new capacity.

I would also like to thank Tomomi for her heartfelt investment into the development of CARP in NJ. Tomomi was sent to our community by True Mother as a missionary, after graduating UPA. She invested all of her heart and energy into the growth and development of the CARP members and guests, and organized many successful CARP programs and activities. CARP NJ went to new heights under her leadership. She will be missed, but I am excited for her to offer her heart and skills in support of Dr. Yong as his personal assistant, and communications director with our Japanese members in America.

Lastly, I am very pleased to welcome Mr. Shogo Nakaza as our new NJ CARP Director. He has been instrumental in voluntarily supporting the success of CARP activities over the last year, and has demonstrated great leadership ability. Shogo comes to the role with GPA leadership training, and a passion for supporting God's Providence however he can. I look forward to supporting him in this new role, and ask you to do the same.

I hope your hearts can be filled up with joy and gladness as we enter into this holiday season. Wishing you a wonderful holiday!

**Many Blessings,
Pastor Crescentia**
