

Clifton, NJ Family Church: My Dream Is For Us To Grow Our Relationships

Crescentia DeGoede

Letter from Our Pastor

Dear Brothers and Sisters,

Greeting you with love and blessings. I want to express my heartfelt love and appreciation for all the mothers of our community. Thank you for all you do to care for your children! The world is a better place because of the love you've invested into your children. Thank you! Hope you can have an enjoyable weekend, and hopefully take some well deserved relaxation and fun.

This week I've been reflecting on the importance of our dreams, and supporting the dreams of those we care about. We all have dreams, and those dreams are very precious to us. Sometimes it's hard to share them with others, because we're afraid of what they will think. Perhaps they will think they are silly or unrealistic or won't understand them. When someone listens to our dreams and supports us in fulfilling them, we feel loved. True Parents are the same.

Our True Parents long for a world filled with true love in which all people relate with one another as brothers and sisters as they attend God together. True Mother is working tirelessly to help all people of the world form a deeper connection with God as their Heavenly Parent, receive the Blessing, and adopt a lifestyle of living for the sake of others. Her dream cannot come true without us. True Mother is counting on us to invite people to hear her message tomorrow evening at the [International Rally of Hope](#) and here in America at the [Peace and Blessing Festival](#) on June 5th. Let's fulfil her dreams!

In line with True Parents' dream, my dream for our community is that we can grow our relationships with one another as brothers and sisters, aunt and uncles and nieces and nephews, and friends. I hope that we can learn more about what is in each other's hearts. Listen with open hearts and minds. Be there for each other when we are in need. Create a loving and warm environment that allows those new to our community to feel totally welcome, and those who have been away for awhile to feel welcomed back.

We each have a part to play in bringing these dreams to life. This week I want to encourage you to reach out to someone you care about in our community that you haven't spoken to in awhile and ask them to share their hopes and dreams with you. Give them encouragement, and ask them what you can do to support them in making their dreams come true. Let God work through you to touch their hearts.

May you be abundantly blessed in this coming week.

Sincerely,
Pastor Crescentia

Shehaqua Family Camp Registration is Open!

Join Shehaqua Family Camp this summer for a spiritually enriching experience for the whole family through the beauty of nature, education by age group, fun and fellowship of sports, crafts, music and social activities in the safety of the outdoors.

What sets Shehaqua Family Camp apart from most other camps is that it is designed for the whole family, not just children or youth of a certain age. While presentations, discussions, and some of the activities are separated by age groups, there are many activities that the family can enjoy together. Families also have a chance to bond among each other, creating a community that feels like an extended family—with many aunts and uncles, brothers and sisters, and nieces and nephews.

There are three programs to choose from:

- [Week 1 \(July 18 - July 23\)](#)
- [Family Camp Weekend \(July 23 - July 26\)](#)
- [Week 2 \(July 26 - July 31\)](#)

Early Bird Registration is May 31st
