

Clifton, NJ Family Church: In Person Sunday Service - ACLC Virtual Summit

Crescentia DeGoede
July 9, 2021

Dear Brothers and Sisters,

What's inspired you this week? What made you smile, made you laugh? I hope you made some joyful memories over the July 4th weekend, and have had a good week.

Did you know that God delights in our joy? True Parents have taught us that, "God created human beings to experience joy and happiness." As our Heavenly Parent, God experiences joy when we are experiencing joy and gratitude. When we are enjoying the environment God created for us, and experiencing joy in our relationships with others, God experiences joy. Simply put, our joy is God's joy. In light of this, I hope you can experience lots of joy and gratitude this week and invite God to experience it with you.

Have you been thinking about getting involved in visiting Christian churches, but not sure how to begin? Would you like to know more about how to connect well with Christian brothers and sisters? This Saturday at 2pm by Zoom, I will be joining together with our District 3 ACLC clergy leadership, Dr. Sykes and Bishop Bellenas, as well as, our PA HPHC Pastor Shota to share some insights on, and answer your questions about effective Christian outreach and partnership. See the details below to join us for an empowering session.

This Sunday we will have our next in-person Sunday Service on the theme of "Breaking the Curse", which I hope you can join us for. We will also begin the summer program for our children on the theme of "God's Explorers" giving our kids the opportunity to connect with God and each other through crafts, songs, games and snacks.

Wishing you a joyful and blessed week!

Sincerely,
Pastor Crescentia

We wish to invite the children of our Sunday School Community to our annual Summer Program held at the Clifton Family Church. The theme this year will be "God's Explorers."

Every other week during our in-person Sunday Service, your child will embark on a very exciting adventure where they will gain a new life tool every two weeks. The Sunday School Summer program schedule starts & ends as a whole group with fun activities & prayer!

The children will spend majority of the hour through hands-on learning at stations: discovery science, art creations, snack, adventure games, sharing circle & coloring page. We invite you to be a part of this adventure- check out some tips for bringing learning home!

Although this isn't technically a Sunday School, we still accept tithing/offering during this program.

**National Family Service
on Sundays at 11am**

It will be live streamed here: live.familyfed.org at 11AM. Enjoy the service from the comfort of your own home!
