

Clifton, NJ Family Church: World Culture Festival - Japanese Community Meeting

Crescentia DeGoede
August 27, 2021

Dear Brothers and Sisters,

Hope this message finds you and your family well. First of all, I would like to thank all those who participated in the Sunday Service last week, and joined together to warmly receive Dr. Yong. As you may have heard on Morning Devotion, Dr. Yong felt really welcomed and enjoyed spending time with our community. In case you missed it, he gave us an empowering and inspiring message, which you can [view from our website](#).

First of all I would like to wish a belated Happy 29th Anniversary to the 30,000 Couple Blessing and 26th Anniversary of the 360,000 couple Blessing. Congratulations on another year of love and commitment to God and one another. Hope you were able to take some time quality time as a couple to celebrate. May this next year be full of greater love and blessings.

Ever since moving to this community I've been so inspired by how diverse we are. It is beautiful and enriching to interact with people from all different ethnic and cultural backgrounds. I've learned so much just by getting to know you. In just a little over a week, we are going to take time to celebrate our diversity and enjoy food, music, performances and games from around the world at our World Culture Festival on Saturday, September 4th from 12-5pm. The Festival will be enjoyable for all ages. It's also a perfect time to bring someone new to meet our community. I hope everyone can join in on this festive occasion. Looking forward to seeing you there!

Hope this coming week brings you great joy and blessings.

**Sincerely,
Pastor Crescentia**
