

Clifton, NJ Family Church: World Culture Festival - Exploring Divine Principle

Crescentia DeGoede
September 3, 2021

Dear Brothers and Sisters,

What intense weather we had this week. Hope everyone made it safely through the storm. I heard many of our families experienced flooding and damages to their homes and cars. I am sorry for the losses experienced, and pray that you will be able to swiftly recover from any damages and hardships. Please don't hesitate to reach out for help if you need it. Let's be sure to support one another however we can.

Thankfully God is blessing us with a beautiful weekend ahead. I am really looking forward to seeing you all at our **World Culture Festival** tomorrow from 12pm at the Weaselbrook Park for an afternoon of multi-cultural food, music, performances, games and sports. It's going to be a wonderful time for our whole community, and a great opportunity to introduce friends to what it means to be a part of Heavenly Parent's Holy Community and experience a taste of the Heavenly Culture. [Check our website](#) for all the info you need about where to go, what to bring and what to expect at the Festival.

As the summer comes to an end, and our kids return to school, we are also hoping to return to a normal schedule of in-person Sunday Services, GO programs, Sunday School classes, DP study groups, YUM services, and more. Our ministry team is in discussions now, and will communicate soon the plan for the coming year. Please stay tuned for more info.

May God continue to bless you in this coming week!

**Sincerely,
Pastor Crescentia**
