

Clifton, NJ Family Church: Sunday Service and Seminar with Pres. Naokimi

Crescentia DeGoede
September 17, 2021

Dear Brothers and Sisters,

I hope you've had a lovely week, and are experiencing God's love and feeling blessed.

In this community we have such wonderful generous, hard-working, sacrificial and sincere brothers and sisters. Because of your service to God and our community so much goodness is being spread in this world. Thank you so much for all that you do!

As we know, our Heavenly Parent and True Parents have such great hope and expectation for humankind, an insatiable desire to end human suffering and bring all people into a loving relationship with God and their fellow brothers and sisters of this world. This longing heart drives True Mother to ask all those who love her and want to work with her to stretch beyond ourselves, and do and give more than we feel is possible.

This Sunday, President Naokimi is coming to our community to share a vision for goals we can strive for as a community over the next 3 months in preparation to welcome True Mother back to America. He wants to stimulate us to think about what we feel inspired to do and give. I hope you can join in for this very special Sunday Service and Activation Seminar with President Naokimi, and contribute towards building God's dream in our community and beyond.

For those who have middle school and high school child be sure to check out the info below about our upcoming GO program.

Wishing you many blessings.

**Sincerely,
Pastor Crescentia**
