

Clifton, NJ Family Church: Happy True Children's Day! - SR 1 Quarterly Meeting

Crescentia DeGoede
November 5, 2021

Message From Our Pastor

Dear Brothers and Sisters,

Happy True Children's Day!! Today is a great day to remember how precious we are to God as God's sons and daughters. In our Heavenly Parent's eyes we are all unconditionally worthy of love just by being who we are.

As parents we may have a harder time to really love our children unconditionally. To love them no matter what they say or do. To value them for the unique human beings that they are. But to our children we are God. They understand God's love from us. True Father reminds us that, "Children are God. Children are God with very small hearts." With this knowledge, let's be sure to show our children and all children the kind of love and care that God would as their Heavenly Parent. For extra credit, show this kind of love and care to yourself as a child of God.

Hope to see you at our True Children's Day Service and Festival this Sunday!

Please take care and many blessings to you.
Sincerely,
Pastor Crescentia

Date: November 7th

Blessing Fest "Marriage for Peace 2021" Watch Party Host Form

For the upcoming December Blessing Festival featuring True Mother's message, the focus for outreach will be on physical and virtual watch parties. This will be an effective way to present the Blessing Fest broadcast, and assure not only engagement with the content but growing relationships that can be followed up with.

Each watch party needs to have a "Host" who manages invitations (members and guests), schedule, any program surrounding the broadcast, etc.

The FFWPU-USA team encourages everyone interested in hosting their own watch party, to register as a Watch Party Host through the following form as soon as possible so you can receive support and resources and be included in the offering to True Mother.
