At 10:30 pm on December 31st, 2019, about 40 Las Vegas brothers and sisters gathered to reflect 2019 and to share their new year determinations.

After gathering at the sanctuary, we all went out and burned our resolution paper which each individual prepared. Then we received the New Year, 2020, and we all prayed together, sang a song, and cheered three ok-mansei!

We joyfully sent off 2019 and received the New Year 2020 together! It was a meaningful and hopeful start of the New Year 2020.
