Welcome to LVFC HD Newsletter!

✧ Daily TPs' Hoon Dok Words ✧

"Fallen human beings cannot enter God's presence by themselves. They can do so only through rebirth and the Marriage Blessing from True Parents. True Parents, who foresaw the problems and future this nation would face, began to conduct cross-cultural Marriage Blessing Ceremonies a long time ago. It has been almost thirty years since we began to educate the young people of Korea and Japan, enemy nations, and to conduct Blessing ceremonies that would bring them together in marriage...."

Shine City Project

On December 28, 2019, the final Saturday of the year, Shine City Project returned to Las Vegas Boulevard and Windmill for a cleanup! Led by Katsu-san, our five Shine City Project volunteers braved the cold and the wind to help pick up litter in the area. After several hours, fourteen bags of trash were filled! We hope that this final cleanup of the year can be an offering for 2019 and our Las Vegas community!

We hope this message finds you well. As the new year has begun, we wanted to kick-start our first youth group event of the year. In tune with the winter season, we wanted to take the opportunity to take everyone ice-skating! We had an outing to the bowling alley last year, which was a very successful bonding experience for everyone. We are hoping we can start the New Year even more connected to each other and having a lot to look forward to for the rest of the year!
