Welcome to LVFC HD Newsletter!

Dear brothers and sisters,

The year 2020 marks 100 years since True Father was born in Jeongju, and so in 1943, our True Mother, was born in Anju, also in the northern part of Korea. Let us offer our utmost best heart and attitude as we celebrate our beloved True Parents.

As we've been announcing for weeks, we'll celebrate True Parents' birthday with a luncheon on Saturday, January 25 at IPEC. The program is attached below for your reference.

We hope to prepare this event so sincerely that everyone will be happy and joy to celebrate True Parents' birthday.

To do that, we need your help. Today, we will be decorating the venue at IPEC centering on Kyoko san at 5 pm on Friday. I would be grateful if a lot of people come to help and make the event beautiful.

Parking guide

About 400 people will be attending the event. Members know well around IPEC, but guests don't. Therefore, the parking spaces around the IPEC are expected to yield to the guests. All members are encouraged to park on the blue section of the map below.

Table and Raffle Ticket

As we announced to you, we hope that those who register for this event receive the following tickets at the reception table.

As you can see in the sample ticket below, the blue number is the table number. And the pink number next to it is the seat number on the table. There is no seat

And about Raffle tip, if you are coming with your family, all family members write down the last 4 digit of the same phone number and put it in the Raffle box, so in that case there is more likely have a chance to win. By the way, only one raffle gift is allowed in a family.

Dear brothers and sisters,

I attach program of this event as follows. I hope that we will make the 100 / 77th birthday of True Parents the best feast among us. Please let us attend this celebration as a true child of True Parents, not as a guest.
