**\* Daily TPs' Hoon Dok Words \***

"History has opened the doors to the era of the Pacific civilization. The leading bodies in the Pacific civilization include the Korean Peninsula and several nations across the Pacific islands and Asia. That is why I have advocated for and proclaimed the Asia-Pacific Union. The many Asian countries should attend Heaven as one system centering on Heavenly Parent and bring His providence to completion. I bless Taiwan to stand in the position of a nation that fulfills its responsibility."

Dear Families of Subregion 4,

We are excited to officially announce the dates for our Subregion 4 Famicon, taking place from March 6th - 8th at the DFW Family Church!

Famicon (Family Conference), is an opportunity to gather as a Subregion, spend time together as family, and set new goals as we kick off 2020. There will also be breakouts based on ministry to help us get on the same page for this year.

This is a great chance to connect to the greater vision of what our American movement as a whole hopes to accomplish going forward.

As a Subregion, we really accomplished so much this past year, and we believe that it was because of the connections and the foundations made at last year's Famicon.

So we hope to see you there!

This up coming Youth Night on 2/29. This event will be held in the Sanctuary from 5pm to 8pm for our high school and middle school kids. ....The topic for this Youth Night will be "The Importance of 2nd Generation". We wanted to start off with this topic because it would help them realize how important our (2nd Gen) existence is and the value of Blessed Families as a whole.

From Youth Group Leaders (Torao, Mikito, Bobby, Mia, Silvia)
