* Daily TPs' Hoon Dok Words *

"It is not my face or my body that makes me great, but my philosophy. My spirit is such that when I move, God Himself wants to move with me; He wants to follow me. This is my strength. God has been unable to fulfill the purpose of love. Yet I am asserting that with love I will liberate Him. Through my encounters with God, I have come to know His bitter sorrow over His unfulfilled purpose of love. I am trying to liberate God from this bitter sorrow."

Discovering blessings, even amidst COVID-19 crisis

"God is our refuge and strength, a very present help in time of trouble. Therefore we will not fear..." Psalm 46:1-2

Dear brothers and sisters,

I really hope and pray that you and your family are in Heavenly Parent and True Parents' "pillars of cloud and fire" guide your way by day and night. As you may know, nearly 86,000 fellow brothers and sisters in the United States have been affected by COVID 19, the corona virus and we have unfortunately lost many lives. These are trying times and I pray that you remain safe,

healthy and strong. Let us continue to pray and support other brothers and sisters who need help. Recently, Dr. Ki-Hoon Kim reported that True Mother is in good health and she is offering devotion in this moment of global despair.

Under True Mother's guidance, many family members in Korea are collecting donations to support areas facing challenges. So, let us love and care for our neighbors and those in need amidst this pandemic.

We are and will continue to face many financial challenges as a result of this pandemic for many months to come. But blessed are those who even amidst this crisis are ready to tithe. Many have asked how can they tithe or make donations. Here are a few options:

1. Visit Cheong Hwa Gung Sanctuary to pray and drop your offering in the donation box
2. Mail your check to 7966 Haven Street, Las Vegas , NV 89123
3. Donate via phone by texting to (702) 820-5511 (Text-to-Give by GivingFuel)

This Sunday, the National Ministry Team will be holding a service at **8:00am PST**. After the service, the Las Vegas Family Community will host a live family gathering at **11:00am**

Shine City Project

On this Saturday morning, our Shine City Project volunteers arrived at Wetlands Park where we were greeted by Katie, a Girl Scout working hard to earn her Gold Award. The Gold Award is the highest achievement that a Girl Scout can earn, and it requires research, planning, approval, and completion of a service project in an area of the Girl Scout's interest. A minimum of eighty hours is also required in the planning and execution of the project by the Girl Scout herself, as well as a project advisor....

Hopefully your kids have not gotten too bored just yet!

Although we cannot meet as a large group as we had hoped and planned, we still wanted to provide an opportunity for the youth to connect with one another and develop a sense of community. Times like these calls for opportunities to build strong relationships so we hope that we can do that!

With that being said, youth ministry will be holding a virtual Saturday Night Dynamite from **7pm to 8:30pm** this upcoming **Saturday, March 28th**. All your kids need

As you may know, the time period in which we can apply for the CheonBo Won has been extended to September, on the occasion of True Father's Ascension anniversary. This is thanks to our True Mother's earnest heart to receive us all in the CheonBo Won. True Mother herself has expressed that, "All of your names must be registered there. You have to know that you are in a position that is blessed by God." (May 26, 2017)....

In order to assist you and the hundreds of Tribal Messiahs throughout the U.S., we are asking that EVERYONE, whether Proclaimer, Candidate, or Victor, fill out the application forms on TribeNet.co. Please start by clicking [here](#).....
