**\* Daily TPs' Hoon Dok Words \***

"Up to the present, God's history progressed when individuals took a bold course that transcended ordinary reality. Hence, you too must go through the gate of an adventurous universe-level course. Only then can you uphold the flag of final victory, sing "Hosanna" in front of God, and stand in the position of His brides before the entire universe. If you are to become God's princes and princesses, you must overcome all conditions without stumbling, and weather any circumstances, even persecution or ridicule. You must set a standard of boldness that transcends ordinary reality."
